Historical Update

The 1995-96 associational year began with focus on the building of the Resource and Training Center at 176 Piney Grove Road, LaGrange. The ground breaking ceremony was held on October 22, 1995. Construction began immediately with Roy Poole as contractor. The following were added to the building committee: J.P. Cauley, J.D. Blizzard, Harvey Bedsole, Walt Ham, and Don Jacobs. Don Meadows served as chairman of the committee. The building is now complete and in use. A dedication ceremony is scheduled for Sunday afternoon, October 27, 1996.

The association was challenged by an anonymous donor to raise $125,000 by January 1997, with the donor pledging $25,000 if the challenge was met. Individuals had been asked to give $1,000 over 2 years to meet the $150,000 cost of the Resource and Training Center.

David Walker, Chairman of the Personnel Committee, made his report concerning search for a Mission and Ministries Director, at the June 3, meeting. Those serving with him on the committee were Jeff With, Barbara Johnson, Bill Brown, and Jeff Clark. The Committee made the recommendation that Isaiah Mejia be called for the position, to begin work August 1, subject to approval by the Home Mission Board, SBC. The Executive Board voted unanimously in favor of the motion. Isaiah and his wife, Jan, were approved and appointed by the HMB. He began work as scheduled.

Isaiah was born in Abernathy, Texas. He is a graduate of Bovina High School in Texas and Hardin-Simmons University. He received the Master of Divinity Degree from Southeastern Baptist Theological Seminary. He was Minister of Music/Ed. in the Union Association before becoming pastor of First Missionary Baptist Church in LaGrange. He is married to the former Jan Ohlinger and they have two children, Kathryn and Jon.

The Fellowship Mission at Hugo, which came under the watchcare of the association at the October 1995 meeting, has disbanded.

This year's history would not be complete without some recording of the natural disasters that have occurred within our association during 1996.

Two hurricanes named "Bertha" and "Fran" did much damage to homes, crops, and our churches. Tornadoes also raged in certain areas, with more damage being inflicted by the record flooding of the Neuse River. Some churches were damaged by the flooding, especially Seven Springs.

Volunteers from North Carolina, as well as from other southern states, came from their churches to assist with feeding, cleaning up debris, plus "mud-out" teams. N.C. Baptist Men organized their disaster units to help with needs. Thousands of meals were prepared and served by those units at Goldsboro First Church and Kinston First Church sites. One of the emphases of the State Missions Offering is the fact that money for the Brotherhood's disaster unit comes wholly from this offering. None of our churches lost members from these disasters. There is much for which to praise God. We are reminded of the hymn, "This Is My Father's World - God Is the Ruler Yet."

Let us continue to praise Him and be more diligent in proclaiming that Jesus saves here in the Neuse Baptist Association and around the world!

Director of Missions Report

The year 1995-1996 has been an exciting and challenging year for Neuse Association. Hurricane winds have uprooted trees and damaged homes and churches. The flood waters that followed have caused evacuations and much frustration. We experienced feelings of helplessness as we waited for the winds to cease and the flood to recede. Yet in the midst of it all we experienced the peace and care given by our Lord. Neighbors reached out to neighbors. Disaster relief teams were sent from the State Convention to Goldsboro and Kinston. How grateful we are.

The Lord has been good to us as an association.

- He enabled us to move into our new Resource and Training Center on October 9.
- He has provided us with a $25,000 challenge gift. In order to receive this gift we are to raise $125,000 by January 31, 1997.
- He has brought Isaiah Mejia to serve as our Mission Ministries Director. Isaiah began work September 1.
- Our churches have continued to respond well financially in the support of association work.

Good News continues to come from our churches.

- New Life has moved into their new building. They have called Mike Cordell as pastor and have ordained him to the ministry.
- Grainger has called George Berry as pastor.
- Lacy Oliver is serving as interim pastor at Union.
- Cleve Wilkie is serving as interim pastor at First Baptist of LaGrange.
- Bobbie Belcher is serving as interim pastor of Deep Run.
- Jim Turbyfill is serving as interim pastor of Jordans Chapel.
- A Southern Baptist Chaplain, George Lajueness, is serving at Wayne Correctional Center.

As we begin a new year in our churches and association, I would suggest three challenges.

1. We have received help in a time of need. Let us prepare to give help by securing and equipping a Disaster Recovery Trailer.
2. We have added a full-time Mission and Ministries Director. Let us continue to support the budget well.
3. Let us take advantage of the challenge gift and pay off the debt for our Resource and Training Center.

You are a loving, generous people. I am grateful for the privilege of serving with you.

Hispanic Ministry 1996

This year's endeavor bore out to be a wonderful year indeed. The year did not get off to an early start due to my health, but we were under way by the first week in June. On Mondays we, Brian Hardy and I, traveled to Kingston and served the people there. We sang songs and engaged in a Bible study/sermon. The evening would conclude with refreshments supplied by the wonderful people from Spilman Baptist Church. On Tuesdays, Brian Hardy and I would travel to the Belfast camp and engage in the same agenda. Music to start and a Bible study/sermon to end. An occasional Friday or Saturday was spent ferrying some of the people to the stores for supplies or telegrams. They appreciated knowing where the stores were located and where the local Hispanic store is located. On Sundays a run was made to the Belfast camp to pick up anybody who wanted to go to the Hispanic Mission at LaGrange. On occasion there were no takers but they would return the following week. An average of four to six people would attend. During the summer a third camp was introduced to the ministry. The people there welcomed the word of God with open arms. The camp is located behind the Alton Barbecue restaurant. Because of its proximity to the Belfast camp, we would pick them up first and then proceed with the services at the Belfast camp or take them to the mission on Sundays.

During the year several goods were passed out to the people and well received by all. We distributed approximately 150 health kits, about 75 Bibles and seven copies of the video: JESUS (The chronological life ministry of Jesus as recorded in the book of Luke). It should be noted that on the day we showed this video both camps experienced the years high attendance. Followed by an enormous request on how to obtain the video recording. The association responded by providing the copies to the people. It was also voiced by several of my Hispanic associates, that a video program, such as a Spanish version of The Cross and the Switchblade, would serve well to keep attendance resurging throughout the summer, and serve as another opportunity to invite the Lord into their lives. The association also provided some dry goods to the people which was also well received by all. The association also provided a string guitar so one of the Hispanic Migrant Workers and brother in Christ could play as we sang hymns from the hymnals lent to us by the Hispanic Mission at LaGrange.

The weekly ministry tapered down after the interruption of the season by Fran, but several people have decided to stay in the area and continue with what work they can find. They have been integrated into the Hispanic Mission at LaGrange. Two of them have joined the praise band there and actually lead the music ministry at the Sunday worship. They have hopes of starting a music ministry to help bring out the Hispanic community to the word of God.

Overall two people came to receive the Lord. One was baptized by the ministers at Mount Olive. The average attendance at the camps were 20 and eight at Kingston and Belfast respectively. However, on many occasions there were many people who conveyed there appreciation for us being there and the knowledge that God has no boundaries, whether continental borders, language barriers, or religious denomination, it was demonstrated to them, God loves all.

Evangelism Report

The number of baptisms for Neuse Association this year was 233. This is a little below last years' record of 328. However, the groundwork is being laid to change this picture in 1997.

We are encouraging all of our churches to focus on the following:

1. Evangelistic Preaching. "The Gospel is God's power for reaching a lost world. The Good News is also a great incentive for the saved to go after the lost."
2. Observe Soul-winners Commitment Day. This is the time to find out who those are who are willing to participate. Also many who have not been previously involved in this kind of work may be encouraged to participate.
3. Soul-winners Training. Whatever you do you can do it better with some training. Schedule several soul-winning studies during the year. It will take away some of the "fear" of witnessing as well as make the witnessing more fruitful. "Share Jesus Now" is a current study that is very good. Soul-winning studies are much needed to equip and inspire our people to soul-winning.
4. A good perennial plan of witnessing. In my experience any particular plan is in constant need of being updated or revised. Use the plan that works for you and your church.

It has been proven through the years that the Sunday School is the most effective arm of the church through which others may be enlisted.

One plan is to ask each class to elect an outreach worker to work with the church elected Outreach Director. Every Sunday ask an Outreach Team to receive assignment cards for that week's visitation. Keep this moving while encouraging every member of the class to participate. The cards will include the names not only of unsaved prospects but the unchurched, the sick, the absentees, etc.

Don't forget to take a group to the NC Baptist Evangelism Conference February 3 & 4.

Make good plans for two or more revivals during 1997 and let us pray that God will reach many lost souls through us.

Woman's Missionary Union Report

Truly, this has been a year of transition - new names, new groups, new report system, new magazines, and new leaders. Hasn't it been a challenge and exciting!

Last September our Leadership Training was about changes. Sometimes change causes new growth or sometimes bad attitudes! I trust church organizations have seen the potential for growth with the new changes.

Women on Mission Consultant, Gwen Laing, led a missions event called "In His Image" with guest missionary Diane Daniels at Trinity Baptist Church and worked diligently rewriting our Bylaws.

Secretary/Assistant WMU Director, Jean Kirk, took a lot of notes during our quarterly meetings. She was a big help to me personally also.

Coed Consultant, Sandy Laster, talked by phone and mail to leaders sharing information about the coed materials.

Acteens Consultant, Ramona Hortan, led a study of the Acteens Handbook at Kennedy Home and taught the Foreign Missions study at LaGrange. At Christmas time, she led Ac-

eens in collecting food. They attended Acteens Day at Campbell too.

Girl's in Action Consultant, Sherry Lust, led in a sleepover at Rosewood stitching quilts or needy single parent moms. The Missions Day Camp on Mexico was held at Trinity Baptist Church in August. She also led a Foreign Mission Study at LaGrange.

Gwen Sykes, Consultant for Mission Friends, has faithfully sought to assist church directors and leaders through letters and personal contact.

The Leadership Team assisted the Annual WMU/Baptist Men's Breakfast at Wilbur's BBQ and hosted the missionaries in a luncheon during the World Missions Conference at Pineview in March. They met quarterly and planned as well as trained the church leadership n September.

Area Directors kept the phones busy calling for various programs, met with us quarterly nd assisted other ways.

Thank you, Church WMU ladies, for participating with us in meetings, giving to missions rojects for prisoners, migrants and being involved where your are. Your support to me peronally has meant much - especially your prayers, your attendance and those reports. Keep raying as always for your Associational WMU Leadership Team. They depend upon it.

ASSISTeam Annual Report for 1995-1996

The theme for this, first of a five-year series, was "Carry the Light. Live God's Word. Starting with that theme, everything points to the beginning of the new and exciting twenty-first century.

Our activities for the year started on November 27, 1995, with a Winter Bible Study Conference led by Dr. Michael Cogdil, Chair of the Department of Religion and Philosophy at Campbell University. This was held at Neuse Baptist Church starting at 9:30 a.m.

The association Vacation Bible School team returned from the Regional VBS Clinic, held on March 4 in Greenville, excited about the new theme and the possibility for every church to "Go for the Goal" during the spring and summer months. We had 129 to attend the association VBS Clinics.

In May the program director attended the Key Leadership Conference at the NC Baptist Assembly. On May 4 the ASSISTeam held a study of the Toward 2000 series at LaGrange Baptist Church. Our Associational VBS Clinics were held on May 14 at Adamsville and May 21 at Calvary in Kinston.

We held an ASSISTeam Training/Planning Meeting at Kennedy Home on June 25 and the annual Backyard Bible Club/Mission VBS Clinic at Seven Springs Baptist Church on June 27.

The director attended the Sunday School Special Workers training held on August 2-3 at First Baptist Church in Cary and our year was closed with a very successfully Associational Sunday School Training School at Spilman Baptist Church on September 17, 1996. We had 50 attending the "Teaching Series" conference representing 10 of our churches.

Neuse Association Baptist Seniors Report

NABS held their spring meeting at Calvary Baptist Church in Goldsboro on May 16, 1996. Host church's pastor, Rev. Tony Medlin, gave a welcome and prayer of blessing for the covered-dish lunch.

The group assembled back in the sanctuary for the program. Lamar Owensby, NABS chairman, called the meeting to order. Tim Smith, First Baptist Church Goldsboro, Minister of Music, led the group in singing "Trust and Obey."

Doug Joyner of Adamsville, introduced the program guest, Dr. Barbara Kornegay. She is personnel manager of O'Berry Center and gave a slide presentation and talked about the "Fourth World Conference on Women" and her trip to China.

Rev. Medlin gave a devotional from Ecclesiastes 12.

Churches represented were Adamsville, Calvary Goldsboro, Goldsboro First, Love Memorial, Madison Avenue, and Pikeville First. Four pastors and one visitor attended.

It was announced that the next meeting would be on October 17, 1996.

David Leary, Director of Missions, dismissed the meeting with prayer.

NABS held their fall meeting at the newly occupied associational center on October 17, 1996. David Leary, DOM, gave a welcome and had the blessing for the meal.

Then Tim Smith led the group in singing several hymns without accompaniment. Lamar Owensby, presided and called on the DOM for a devotion. He gave remarks related to the 23rd Psalm and from John 10 concerning sheep and the shepherd.

Mrs. Oliver acted as secretary and reported 30 present from the following churches: Goldsboro First, Union, Adamsville, Spilman Memorial, LaGrange First, Kinston First, and Madison Avenue.

Several shared about activities including Sally Rogers, who reported about their group attending Caraway Senior Citizen's event; and, Goldsboro First Senior Adult Choir had been on tour.

Prayer requests were voiced and Lacy Oliver led in prayer on their behalf. Lamar dismissed the group and asked that we sing "Blest Be the Tie That Binds" as we left.

It was decided that the next meeting, regular scheduled spring program, would be again at the NBA Center. Goldsboro First volunteered to host pending approval.

Meeting for open discussion. It was determined to be decided now. After a lengthy discussion it was voted by show of hands to go keep the two-day regular meeting arrangement. It was stressed that the one-day meeting did not have to be held on Sunday, or be daytime. The vote carried with 35 in favor and 34 opposed.

Finance Committee Chairman Don Jacobs presented the proposed 1998 Budget and said there was a slight increase. The budget was adopted.

The 1998 officers and leaders were presented by Susie Meadows. The motion carried that we accept the report as listed on pages 2-4 in the Book of Reports.

David Leary presented the calendar which was accepted.

George Fox reported on our partnership with South Africa as a state and participating association. Several have already been and others are preparing to go, including George and Gene Martin. Those present planning to go on the next trip came forwad and David Leary led a prayer of commission for the five.

George Fox then introduced our guest speaker, Dr. Jerry Wallace from Campbell University.

Calvary Kinston choir sang a "Do Lord" medley arrangement.

Dr. Wallace spoke on "Reaching People for Christ." He said forty (40) nations are represented at Campbell. He invited his guest, Jerry Kim (Korean) to read the scripture. Dr. Wallace spoke of "far country" experiences from Luke 15 as a text. He said that the sons (and our) situations are the result of freedom and responsibility.

Moderator led us in a blessing for refreshments to be enjoyed in the fellowship hall where display booths were also set up.

Gene Martin led the group in singng "Worthy of Worship."

An offering for Partnership Project was taken.

Cleve Wilkie led our time of memorial for those who had died since our last annual meeting. We stood, had a moment of silence as we looked at the many names listed and then Cleve led us in prayer.

George Fox read the scripture passage text preceeding the annual sermon and led in prayer. The Rosewood Church Choir (over 22 in number) provided special music before their pastor, Vernon Braswell, brought the message. They sang, "Sing Praises" and "Calvary."

Rev. Braswell's text was from Revelations 3:12 and John 14:3. He said that our citizenship is in another land. We have a choice to make about our eternal home.

Benediction was offered by Ray Brown, Adamsville interim pastor.

Historical Update
1996-1997

The Church Year 1996-1997 was one of many activities and renewed interest in the Neuse Baptist Association. Many factors contributed to the progess that was made. One of the most important of these was the completion of the Resource and Training Center on Piney Grove Road at La Grange. The well planned, commodious building has been the center of varied and multiple activities for the association. Many committee meetings, organizational conferences, planning sessions, and meals for work and fellowship have occurred here - day and night. The first ever sleep-over for Women on Mission was held in the building.

Moving day into the new center from the Ashe Street building in Goldsboro was on October 9, 1996. Dedication ceremonies for the building were held on October 27, 1996, with good attendance on hand. There was further great joy on January 31, 1997 when there was a ceremony celebrating the paying in full of the debt on the building.

A second factor has been the faithful and effective labors of our staffe, led by our Director of Missions, David Leary, and Mission Ministries Director, Iaiah Mejia - along with these two, Jean Kirk serves as Administrative Assistant. Jean has been a part of our associational staff for 19 years. The innovative programs initiated by the staff have moved us forward in our goal of making Christ known in the area of our association -- and beyond.

As a third factor, mention must be made of the cadre of volunteers who contribute to making things run more smoothly in the office. Also, along with the office volunteers, there are others who worked on the building and grounds. Plans are underway to build an apartment on the second floor of the Resource and Training Center and much of this labor will be performed by volunteers.

A fourth factor that certainly has contributed to advancement in the association has been the budget support practiced faithfully by the churches. Every church in the association has made contributions to the budget, in addition to generous gifts donated for the Resource and Training Center.

The giving goal for the association in each church is 5% of the church budget. It is hoped, of course, that this faithful support will continue unabated in order that the association can continue to go forward and expand its efforts. Much remains to be done - the task is endless!

The event consisted of providing care and supervised time for children ages 0 - 12th grade from the hours of 5:00 p.m. - 11:00 p.m. It was greatly appreciated by these families who said they would not forget the churches that made this possible. We are planning another event this fall or next spring.

New Work. On May 1, 1997 we conducted a workshop to training and equip churches, church leaders, ministers to learn how to be seeker-sensitive in worship and outreach in their communities. We were led by worship team and pastor from Winter Park Baptist Church, Wilmington, NC. This was in partnership with director Neal Eller, Music Department of NCBSC.

Praxis Student Report

I would like to thank everyone in the association for their prayers and support that I receive during the 10 week praxis program this summer. I pray that God will bless each of you for you involvement with Kingdom growth. Although the formal 10 week program has come to a close, know that God's work will continue as we keep our spiritual eyes open and look fo opportunities to reach the unchurched people in our communities.

Some of the ministries that we have been involved with this summer have been Communit Fellowship Services at Banks School, Back Yard Bible Clubs at Ponderosa Mobile Home Park Home Bible Studies, TeamKid at a local Day Camp, a Christian Basketball Clinic held at Bank School and surveying homes in the Falling Creek area to determine the needs and concerns o the people.

We have been able to conduct approximately 375 surveys with the following results:

Regular Attend Church - 57%
Attends Church about once a month - 21%
Attends Church less than 6 times a year - 10%
Does not attend Church - 12%

We had many ups and downs this summer but the highlight was when we had the opportunity to witness and share the gospel to a 72 year old lady who does not attend church and for the first time in her life accepted Christ as her Lord and Savior. I have learned this summer that God has called us to be faithful and obedient to His word and leave the rest up to Him. It tells us in Luke 18:27 "The things which are impossible with men are possible with God."

First Hispanic Mission Church

We praise God for all His wonderful blessings. This ministry was birthed by First Baptist of LaGrange in June of 1990 under the administration of Rev. Isaiah Mejia. The church has

maintained a core group of 50. In 1996 the church fellowship had two laymen from Mt. Olive Mission supplying the pulpit. In June of 1997 the pastor search commitee interviewed Miguel Arjon and felt led to present him as a candidate to the church body. They met him and extended Miguel Arjon the call for pastor. He accepted and began his duties on September 1, 1997. They have been working diligently to grow and develop. They are now meeting on Sunday mornings at 10:00 for S.S. and 11:00 Worship.

We want to say **Thank You** to the following churches for their support throughout these past seven years. Love Memorial, Rosewood Baptist Church, Pikeville FBC, Kinston FBC, Spilman Memorial, Goldsboro FBC, Madison Avenue Baptist, LaGrange FBC. The following churches has provided Sunday School Teachers on a rotating basis for several years: Madison Avenue, Spilman Memorial, New Hope, LaGrange FBC. You have established friendships and personal relationships with the Hispanic folks. You are truly a blessing.

Goldsboro Korean Baptist Church

They have successfully provided training for WMU leadership, and laity training. Rev. Young Gil Chung has provided outstanding leadership and is asking for your prayer support as they seek a retired minister to help them minister to English speaking spouses of the Korean spouses. Especially in the area of evangelism and when the mission church has special events they would like to provide a ministry action to the English speakers. We are grateful to Adamsville for their present leadership that is securing laisons between mother church and mission church.

Seminary Extension

The name of our center is **NBA Biblical Studies Center.** This past year Jeff With of Kinston FBC has been our director. The following have been approved for teaching: Jeff With, Steve Gibson, FBC, Kinston; Stan Cabell, Neuse Baptist Church; Jack Watson, Chris Winnans, Spilman Baptist Church; Isaiah Mejia, Kinston FBC; David Walker, Mt. Nelson.

South Africa Partnership

We are entering our second year of partnership between North Carolina Baptist and South Africa. On October 30, 1997 we will have a team leave under the direction of George Fox and Arnold Flowers to go on a construction mission trip to the Laudium Baptist Church in South Africa.

We have had Faye Barrows (North Carolina) missionary to South Africa speak to our Ministers fellowship about the partnership. Also, we have had Harold and Marjorie Froise come and give presentations and update the partnership.

Eastside Missionary Baptist Church

This ministry has been sponsored since 1989. Rev. Don Leach has been the pastor and has been ministering in the eastside of Kinston. This mission has been sponsored by First Baptist of Kinston and NBA.

We have worked with Don for several years and continued to evaluate this ministry. It has been established that it is a Store Front Ministry, there are many ministry related actions in the community however, the growth has not been there.

In several meetings we have attempted to convey the needs and concerns for projected

growth and development. We feel that we can no longer provide the funding because the State Convention has asked that we look hard to make decisions as to where the projected growth can occur for new Church Starts. We are facing much phasing out of funding from NCBSC and are requested to strategize and target well in new works.

We have been informed by the mission church under the leadership of Rev. Don Leach that they are withdrawing the fellowship from the association. As of September 5, 1997, Eastside Mission Church will no longer be in fellowship with this association. To the churches who have helped sponsor this work we say a **heartfelt Thanks.** We encourage you to continue to help us support New Work with African-American Ministry - Kinston. We covet your prayers as we seek an energetic vivacious church starter to help us reach African/American - Kinston.

Sunday School

The church year of 1996-1997 has been a year of exciting changes for all of us in Sunday School work in Southern Baptist Churches. Our theme for the year was "Share Christ's Love" under the overall banner of "Carry the Light" that continues on into this new year.

The use of the term Sunday School has become somewhat out of style with so many churches moving to the small group concept in Bible Study. We have a new name for the 21st Century. It is the "Bible Teaching/Reaching Ministry of the Church" and is designed to be all-inclusive and more meaningful. Along with this change comes the change from ASSISTeam (Associational Sunday School Improvement Support Team) to the ACTeam (Association Consultation Team). This changes the direction and basic purpose of our Association team for the future.

This past year the team has sponsored our annual Winter Bible Study Clinic in November led by Dr. Michael Cogdill, Dean of the Divinity School at Campbell University. In addition, the Vacation Bible School team went to the State VBS Clinic in February and came back to lead in the Association's Annual VBS Clinics, one at Goldsboro with 39 attending and one at Kinston with 57 attending. In addition we had an "Early Bird" clinic and a Backyard Bible Club/Mission VBS Clinic with a grand total of 22 churches and 130 pupils.

During the year I attended the ACTeam Training in Cary last April and the Association Bible Teaching/Reaching Consultant Training also in April.

Now, we face a new year. It can be an exciting year for our churches if we make a commitment to organize for growth. Proper organization and planning will make things happen in 1997-1998. The ACTeam is ready to help. Call on us.

Respectuflly submitted,
Tom Waits, Director

Evangelism Report

I do not have all the reports from the various churches at this time; however from all indications we have had a good year.

The BIG NEWS for this moment is The N.B.A. Tell the Good NEWS CRUSADE! In the spring of 1998 every church is urged to schedule a crusade revival within the frame-work of March 15 - April 5. This will give us time to conclude revival services one week before Easter which falls on April 12.

There is an advantage in a simultaneous effort: Personal encouragement, Witnessing outreach, United prayer, Impact of publicity, Sharing personal testimonies, Christian fellowship in giving praise to God. The greatest advantage is during this kind of concerted effort more souls are reached for Christ and His church.

Our Marching Orders are "Making disciples; Baptize them, and Teach them to obey" (make more disciples). "We sincerely hope that every church will grasp the opportunity to be a part of this crusade for Christ.

Not all of the committees listed below have been contacted. However, we are asking them to serve if at all possible. The first named on each committee is asked to serve as chairman.

COORDINATION AND ENLISTMENT - (Mainly to encourage every church to be a part of the crusade) - Bobby Heath and M.O. Sears.

PUBLICITY AND PROMOTION - (Advertise and promote in every way) - David Leary, Jeff Wisdom, Aubrey Jones, Bill Brown.

PRAYER ENCOURAGERS - (Organize and saturate NBA with prayer) - Ray Brown, Lacy Oliver, Gene Martin, Tom Waits.

PROGRAMS - (Speakers for prayer breakfast, program etc.) - Jack Watson, George Fox, Vernon Braswell, Al Fredette.

BREAKFAST HOSTS - (Time, Place, Meals, Notify ministers) - Isaiah Mejia, Harold Burton, Ashley Summerlin.

SECRETARIES - (Keep records of churches who are in and dates of crusade. Evangelists) -Bobbie Belcher, Tom Jones, David Walker.

WMU Report

The WMU Leadership Team has experienced a full, productive year.

Hurricane Fran made her appearance shortly before the September 1996 Leadership Training. In spite of the winds and flooding the training was held at Kennedy Home one week later than scheduled. Persons in attendance were keenly aware of the increasing number of ministry opportunities resulting from the hurricane devastation. Under the direction of Bonnie Gaddis, Women on Mission Consultant, and the area directors the Baptist Women's World Day of Prayer was observed November 3 at the Resource and Training Center. The program was presented by the women from First Baptist, Kinston.

February 8, Dellanna O'Brien, national WMU Executive Director, was guest speaker at the annual WMU/Brotherhood Breakfast. The breakfast was hosted by the WMU of First Baptist, Goldsboro.

Bonnie Gaddis planned and coordinated an overnight prayer retreat held in March at the Resource and Training Center. Retreat leader was Kathryn Bullard, former WMU Executive Director for Virginia.

Coed Consultant, Sandy Laster, conducted a coed training event for mission teams.

Under the leadership of Ramona Hortn and Kathryn Waits, Acteen and Youth on Mission Acteens heard a missionary message at Snow Hill prior to the November 2 International Festival at Adamsville. In August an Acteen event was held at the Resource and Training Center.

Girls in Action Consultant, Sherry Lust, planned and led a sleepover at Spilman. The girls made clothespin dolls and cards for patients at Lenoir County Memorial Hospital.

The annual WMU spring meeting was held at New Hope. The program consisted of persons involved in ministries in Neuse Association.

Gwen Sykes, Mission Friends Consultant, has made herself available to assist churches in beginning Mission Friends organizations or in leading mission activities for Mission Friends.

The support and continuing assistance of Jean Kirk, Secretary/Assistant WMU Director, and of the four area directors has made the planning and the events successful. Ruby Bartlett, Ann Joyner, Ovelia Rockwell and Cynthia Summerlin served as area directors.

This has been a good year for WMU in the churches and in the association. It has been a privilege for the Leadership Team to work "HAND IN HAND" with you.

Lamar Owensby, Chairman

Neuse Baptist Association

I. Purpose of the Association

The Neuse Association is a self-governing fellowship of self-governing churches sharing a common faith and active on mission in our setting. Our purpose is to enable the Lord's churches to be in fellowship and mission indvidiually and together, and to do a better job in declaring the GOOD NEWS of God's love through Jesus Christ. We also seek to provide fellowship among our churches and seek to promote missions, helping persons in need, Christian education, stewadship, and reaching people for Jesus Christ. We in no way seek to exercise authority over the churches within our fellowship.

II. Organizational Structure of the Association.

Our association once a year has an Annual meeting on the last Monday and Tuesday in October. Our churches are represented at these meetings by messengers elected by each church which has five messengers for the first 100 members and one additional member for each 100 members up to 12 messengers. At our Annual Meeting the officers of the association are elected. These would include the moderator, vice moderator, clerk, and others that our association constitution designates. It is also the time we hear reports from the churches, program areas and the committees; to adopt the association budget for the year ahead; and to take care of other business matters brought before us. Between our annual meeting, an executive board, with representatives elected from each church, takes care of business matters. Our executive board meets five times a year and the annual meeting makes us meet every two months.

III. Membership in the Association

Baptist churches are received into our fellowship only after having been under the watchcare of the association for one month before our Annual Meeting. Application is made through the Church & Community Ministries Council. The church making application should provide a copy of the Articles of Faith and Church Covenant as adopted by the church. Membership into the association is determined by vote of the body in annual session.

IV. Assocation Departments and their Functions

To fulfill our purpose, our association is organized into missions performance councils and committees. These include: Sunday School, Discipleship Training, Woman's Missionary Union, Brotherhood, Church Music, Missions Development, Stewardship and Evangelism. Through conferences, training clinics, and similar activities, these areas of work seek to help the churches requesting them and to help in developing a more effective program of work. In addition to the missions performance councils, ther are also administrative committees charged with certain areas of responsibility.

V. Financing the Association's Work

In our association, a buget is adopted at the annual meeting, which includes activities which we are seeking to accomplish. Each church in the association is asked to participate in the support of this missionary program at 5% of receipts in their churches.

We do not tell your church what to give, but every church has the privilege of par ticipating under what the Holy Spirit would guide them to do. The better this parti cipating by all our churches the more effectively will the association be able to accompisl its objectives. Most churches vote to give a definite percentage of its income to asso ciation missions as well as the world-encompassing program made possible through th Cooperative Program.

VI. The Annual Church Letter

Each year, around the first week of August, the annual church letter is mailed or giver out to each church. The purpose of this letter is to accumulate statistical data and othe information to help determine the needs of the churches and thereby assist the asso ciation and denomination staff in their response to those needs. It also helps to monito the growth of the association and the denomination.

Each church is requested to turn in the letter before the annual association meeting. This insures the listing of each church as being an official member of the SBC.

Korean Mission Pastor, Young Chung & family program guests in home.

Director of Missions Report

The year 1997-1998 has been an exciting and challenging year for Neuse Association. Meeting with the pastors and key leaders in each of our 35 churches and 2 missions during January and February was an enlightening and rewarding experience. The purpose of these meetings was to look at neighborhood demographics in order to explore ways each church might more effectively reach its local area for Christ. I was grateful to find the pastors and lay persons eager to minister to their communities. The ministries that have begun and the planning that has taken place since these meetings have been encouraging.

Excellent training opportunities have been provided during this year. A Professional Growth and Career Assessment for pastors and spouses led by Fred McGehee, Director of Growth & Development with the Baptist State Convention of North Carolina, was held in August. Our ACTeam provided outstanding training for the Bible Teaching and Reaching arm of our churches. The Neuse Baptist Association Woman's Missionary Union Leadership Team's fall training laid a strong foundation for those who attended.

Significant events have occurred in our churches this past year.

- Adamsville is preparing for a major renovation to their sanctuary and fellowship hall.
- Bethel is building a new sanctuary.
- Goldsboro First has completed the remodeling of their sanctuary and education buildings.
- Immanuel has completed their new sanctuary.
- Rivermont held a note burning for their building.
- Kinston First pledged 98% of their 1998 budget.
- Madison Avenue is remodeling their education building.
- New Hope purchased and paid for a new van.
- Snow Hill is building a new fellowship hall, offices and classrooms.
- Spilman is involved in two new work possibilities. One is in Falling Creek area of Lenoir County. One is in Kinston for youth.
- Trinity has paved a large parking area.
- Union has installed an elevator.

Several churches have welcomed new staff members.

- Scott Stevenson has been called as pastor of Rivermont.
- Ron Vamer has been called as pastor of Falling Creek.
- Bill Ashe has been called as pastor of Grainger.
- Jim Turbyfill has been called as pastor of Jordans Chapel.
- Ray McDonald has been called as pastor of New Life.
- Glenn Phillips, Jr. has been called as pastor of Goldsboro First.
- Rudolph Rowe is serving as interim at Pikeville First.
- Cleve Wilkie is serving as interim at Kennedy Home.
- Bill Brown is serving as interim at Neuse.
- Greg Kincaid has been called as Minister of Music and Youth at Neuse.
- Keith Aguila has been called as Associate Pastor and Youth Minister at Love Memorial.

Reports of record attendance in Vacation Bible Schools and Sunday School are encouraging. Baptism are increasing. New methods of outreach are being introduced.

A cooperative, loving relationship exists among our churches. Every church and mission in Neuse Baptist Association has contributed financially to the work we are doing together. We can truthfully say, "We are laborers together with God."

Continue to pray for our personnel committee as they prayerfully seek someone to serve as our Church and Community Ministries Director.

WMU REPORT

COME GO WITH ME, the 1997-1998 emphasis for WMU, was the theme for the annual WMU spring meeting held at Adamsville. Former NC WMU president Anne Smith and Edna Walters, Director of Development for NC WMU challenged those present to meet the financial needs of Mundo Vista. Greg and Hannah Poe told about their experiences as mission volunteers in Neuse Baptist Association's partnership with South Africa.

WMU members have been actively involved in ministries in their own communities. We are encouraged by the increasing involvement of organizations that are intentionally meeting needs in the neighborhoods surrounding the local churches.

WMU members have continued to remain faithful in preparing migrant kits and cheer bags for the

prison ministry.

In December WMU provided an appreciation dinner for pastors and their wives. The dinner was he at the Resource Training Center.

In July every age level consultant on the NBA WMU Leadership Team went to Caraway for trainir provided by NC WMU. They returned well trained, inspired, excited and eager to provide training fc leaders and members of WMU in the churches in the association. They are equipped to assist churche that do not have WMU organizations. Churches are encouraged to call any member of the team an ask for the help needed.

REPORT FROM YOUR MISSION MINISTRIES

PRISON MINISTRY - We want to thank the association of churches for your contributions of iten to complete 700 cheerbags that we delivered to Eastern Correctional Center and Wayne Correction Center. Isaiah Mejia, M/M Dir. accompanied Rev. George Lajueness, Chaplain at Wayne Correction as personally delivered the cheerbags to Eastern Correctional in Maury, NC. After interviewing Chaplai Lajueness, we discovered yet another way to minister to the inmates at Wayne Correctional. Plans wei made to challenge the association to collect 1500 new Christmas Cards to distribute to the inmates. seems that the inmates were using cards that were sent by the association in the cheerbags to fami members at home. This was creative and innovative. Along with the new cards each group or churc will be asked to send a booklet of stamps to be distributed by the Chaplain to inmates. The stamp would be used as incentives for good behavior and good participation in events planned by the Chaplai ministries at the center. This project was to be introduced as a "Christmas in July" mission project acro the association.

DISASTER RECOVERY/HANDYMAN MINISTRY - Our new director is Brad McBride of Kinstc First. This past year the trailer has been housed with shelves made by Rev. Frank Carmody. We a grateful to the Lord for skills such as these. We want to thank the Brotherhood of Adamsville Bapti for purchasing the power washer! Again thanks to the men at Adamsville the trailer is completely loade and ready to go.

During Hurricane Bonnie, Three churches in the association stood ready as possible sites for th Disaster Relief and Recovery Units, they are: Adamsville Baptist Church, Goldsboro, First Snow Hil First Kinston.

OFFICE VOLUNTEERS - Its exciting to see things happening at the office that in turn cause gre enthusiasm that results in taking information and more information to churches through our offic volunteers. MEDICAL/DENTAL MINISTRY

We conducted two events with the Medical/Dental at the NBA Resource and Training Center. Our director is Bess Hooks from Spilman Memorial Church. Our First event took place on July 11,1998 rom 9:00 AM - 5:00 PM. The targeted group were the Hispanic Migrants in Wayne and Lenoir Counties. With the help of M/M Dir. Isaiah Mejia we had several language interpreters including, Jan Mejia, of First Church, Kinston, Rev. Miguel Arjon, Luz Arjon, Gaby Acevedo, Pablo Acevedc) all from First Hispanic Church in La Grange.

Our Medical Team was composed by professional staff from Goldsboro and Kinston. Dr. Harold Lancaster, Dr. Rose Pulley, Dr. Robert Hosea, Bess Hooks, Julie Burkett, Brenda Brown all from Kinston. Other volunteers from Kinston area were: Nancy Wilkie, Kathryn Mejia, Claudia Dale, Beth Crisp, Lynn Taylor. Professional Staff from Goldsboro were: Dr. Keith Himant, Brenda Wisdom, Brenda Kelley, Scottie Percise. Other volunteers from the Goldsboro area were: Jean Kirk, Bob & Molly Lanham, Adelle Eure, Bobby & Jo Heath, Adamsville Brotherhood, WMU Goldsboro First.

There were 28 clients attended by the dentist, physician, ear nose and throat specialist. The gospel was shared 12 times and health kits and gospel tracts were distributed. This was a tremendous opportunity o share Christ and we are grateful to the association of churches that helped make this possible.

The second event was also conducted at NBA on September 26, 1998. Our team was composed of Dr. Harold Lancaster, Julie Burkett, Dr. Payne Dale, Judy Knowles, Bess Hooks of Kinston, Dr. Matt Delbridge, Dr. Tom Boykin of Goldsboro. Other volunteers were: M/M Dir. Isaiah Mejia, Miguel Arjon, Gaby Acevedo, Terri Staps of LaGrange First Hispanic, Frances Durham of Immanuel Baptist, Pat pock, Nancy Wilkie of Spilman Church. Calvary Kinston was gracious in providing snacks for the volunteers. D.O.M. David Leary visited the site for picture taking.

We attended 11 clients that day. The "Do It" Books were distributed to the children. The gospel was shared three times and health kits were also distributed.

We are grateful to Bess Hooks for the outstanding leadership as the Director of the Medical/Dental Unit Ministry. Please note that two dates have been set for the year 1999 (1.) April, and (2.) September. This has been an exciting year to share Christ using this medium. We must share the good news of the vision of our director, Bess Hooks in seeing that a 50 AMP. Supply be put in at the NBA Resource Center to house the Medical/Dental Unit. This facilitates the use of this unit to be used without generator power which would be costly.

We have received through cooperative agreements from the NCBSC $7,000.00 for new work. W have been good stewards and have this money in Money Market.

If your church is praying and seeking how to start a new work of some kind please, contact us in th office and let's partner to reach our communities for Christ.

Isaiah Mejia, Director of Church and Community Ministrie

EVANGELISM REPORT

If we have the love of Christ in our hearts we will always be interested in sharing Christ. Jesus saic "The harvest is plentiful, but the workers are few, ask the Lord of the harvest, therefore, to send ou workers into his harvest field." (Luke 10:2 NIV). Dr. James Sullivan, retired president of the Sunda School Board said, "Unless Christ is magnified, we have nothing to say. Unless the lost are redeeme and the redeemed are instructed, we have little or nothing to do."

Baptisms in Southern Baptist churches in 1997 topped 400,000 for the first time since 1982. Y there are an estimated 2,000,000 people in North America who are without Christ. We are bein challenged to work toward a goal of 500,000 baptisms by the year 2000.

We are glad to report that baptisms in the Neuse Baptist Association are up from 291 reported i 1997, to 374 reported for 1998 (with 2 churches not yet reported). Love Memorial Church reporte great success with a summer Back Yard Bible Club type program. Churches reported 72 baptism through Vacation Bible Schools this year.

There were other special evangelistic efforts during the year. The Neuse Association engaged in simultaneous "Tell the Good News Crusade," March 15 - April 5, 1998. Several of our churches ha youth attend the annual state-Wide evangelism event at Carowinds in July. The association youth revivi held at Kennedy Home on March 13-14, resulted in 6 youth being saved. Several of our churche participated and attended the Franklin-Graham Crusade held at East Carolina in Greenville durin September.

We would encourage all of our churches to be involved in perennial evangelism. And, in addition, t plan a good spring revival saturated with much prayer and personal witnessing.

Respectfully submitted, Matthew 0. Sea

Annual Report of the Bible Teaching - Reaching Ministry of the Neuse Baptist Association

Last spring we had three members of the ACTeam to attend the ACT Training Institute in Raleigh. Those early months of the calendar year were also times for Vacation Bible School Clinics in the Association. An Early Bird Clinic for Pastors and VBS Directors had an attendance of 27. The two clinics held in April and May drew 65 and a Backyard Bible Club Clinic in May had 26 in attendance. Our total attendance in all VBS Clinics was 118 from 22 of our churches.

Then on September 15 we held an Associational Sunday School Leadership Seminar in the Resource/Training Center near La Grange. There were 11 churches represented by 39 workers. Other opportunities for training are available on a year-round basis, led by our team members at the request of the local church or pastor.

Last November we participated in an overview of the Winter Bible Study led by the Dean of Campbell University Divinity School, Dr. Michael Cogdill.

The past year has seen a complete set of training materials called "The Power to Change Lives" become available. Our convention sent out enought copies for distribution to all pastors and Ministries of Education. The Neuse Association also purchased several copies to give to the church Sunday School Directors who attended the Leadership Seminar. I still have a few copies of the General Officer's book to give to directors on a first-come first-served basis.

We are already looking forward to VBS for 1999 and making plans for the entire ACTeam to attend the ACT Training Institute next Spring. All expenses are paid by the State Convention and our Neuse Baptist Association.

The Assocaition Consultant Team is a resource for all churches. We do not come into your church with an agenda prepackaged by Nashville or Cary. Our purpose is to listen to what you are saying and help your church find the direction that best suits your needs and God's will!

Tom Waits, ACTeam Director

NEUSE BAPTIST ASSOCIATION

1. PURPOSE OF THE ASSOCIATION

The Neuse Association is a self-governing fellowship of self-governing churches sharing a commc faith and active on mission in our setting. Our purpose is to enable the Lord's churches to be in fellowsh and mission individually and together, and to do a better job in declaring the GOOD NEWS of Goc love through Jesus Christ. We also seek to provide fellowship among our churches and seek to promo missions, helping persons in need, Christian education, stewardship, and reaching people for Jesi Christ. We in no way seek to exercise authority over the churches within our @ @e ws ip.

II. ORGANIZATIONAL STRUCTURE OF THE ASSOCIATION

Our association once a year has an Annual meeting on the last Monday and Tuesday in Octobe Our churches are represented at these meetings by messengers elected by each church which has fi messengers for the first 100 members and one additional member for each 100 members up to 1 messengers. At our Annual Meeting the officers of the association are elected. These would include th moderator, vice moderator, clerk, and others that our association constitution designates. It is also th time we hear reports from the churches, program areas and the committees; to adopt the associatic budget for the year ahead; and to take care of other business matters brought before us. Between o annual meeting, an executive board, with representatives elected from each church, takes care of busine matters. Our executive board meets five times a year and the annual meeting makes us meet every tw months.

111. MEMBERSHIP IN THE ASSOCIATION

Baptist churches are received into our fellowship only after having been under the watchcare the association for one month before our Annual Meeting. Application is made through the Church Community Ministries Council. The church making application should provide a copy of the Articl of Faith and Church Covenant as adopted by the church. Membership into the association is determine by vote of the body in annual session.

IV. ASSOCIATION DEPARTMENTS AND THEIR FUNCTIONS

To fulfill our purpose, our association is organized into missions performance councils an committees. These include: Sunday School, Discipleship Training, Woman's Missionary Unior Brotherhood, Church Music, Missions Development, Stewardship and Evangelism. Through conference training clinics, and similar activities, these areas of work seek to help the churches requesting ther and to help in developing a more effective program of work. In addition to the missions performanc councils, there are also administrative conu-nittees charged with certain areas of responsibility.

V. FINANCING THE ASSOCIATION'S WORK

In our association, a budget is adopted at the annual meeting, which includes activities which w are seeking to accomplish. Each church in the association is asked to participate in the support of th missionary program at 5% of receipts in their churches. We do not tell your church what to give, bu every church has the privilege of participating under what the Holy Spirit would guide them to do. Th better this participating by all our churches the more effectively will the association be able to accomplis its objectives. Most churches vote to give a definite percentage of its income to association missions a well as the world-encompassing program made possible through the Cooperative Program.

VI. THE ANNUAL CHURCH LETTER

Each year, around the first week of August, the annual church letter is mailed or given out to eac church. The purpose of this letter is to accumulate statistical data and other information to help determin the needs of the churches and thereby assist the association and denomination staff in their respons to those needs. It also helps to monitor the growth of the association and the denon-tination.

Each church is requested to turn in the letter before the annual association meeting. This insure the listing of each church as being an official member of the SBC.

The Executive Committee
NEUSE BAPTIST ASSOCIATION
La Grange, North Carolina

We have reviewed the accompanying Balance Sheets of NEUSE BAPTIST ASSOCIATION (a not-for-profit organization) as of December 31, 1998 and the related Statements of Support and Revenue, Expenses, Capital Additions, and Changes in Net Assets and Cash Flows for the year then ended, in accordance with Statements on Standards for Accounting and Review Services issued by the American Institute of Certified Public Accountants. All information included in these financial statements is the representation of the Executive Committee of NEUSE BAPTIST ASSOCIATION.

A review consists principally of inquiries of Association personnel and analytical procedures applied to financial data. It is substantially less in scope than an audit in accordance with generally accepted auditing standards, the objective of which is the expression of an opinion regarding the financial statements taken as a whole. Accordingly, we do not express such an opinion.

Based on our review, we are not aware of any material modifications that should be made to the accompanying financial statements in order for them to be in conformity with generally accepted accounting principles.

Respectfully Submitted,

PITTMAN PRICE CO.

Nominating Committee: Tom Jones presented these nominees: Pete Bass-Brotherhood; Jackie Sauls-Discipleship Training; Bonita Leary-WMU; and Tom Waits-Sunday School. The names of the nominees were placed in the form of a motion, they were accepted as presented. They will attend the Key Leadership Training in May.

Stewardship Committee: Lacy Oliver congratulated all who reached their Annie Armstrong Easter Offering goal.

Equestrian Ministry: Harold Burton will be meeting with all ten of the major managers from Ridgecrest and with representatives from the five adjoining states, KY, SC, TN, VA, and NC, at Ridgecrest in April. David Leary gave special recognition to Tom Waits and to Lacy Oliver. Tom Waits was recognized for his service, dedication, and leadership in the Sunday School work in the state and the association; he is known across the state as Mr. Sunday School. Lacy Oliver was also recognized for his service and dedication in the networking in the association. He is the oldest pastor and pastor of the oldest church in the association. They both stood in memory of George W. (Doc) Struthers, who died at age 94, for the great influence he had on so many people across the association and the state.

David Leary introduced the new pastors; Jack Sauls-Trinity Baptist, James Medlin-Mt. Nelson; and Pete Bass supply at Calvary of Goldsboro. Rivermont and Calvary of Goldsboro are each looking for a new pastor and Adamsville will be hearing a new candidate in April.

Missionaries Chuck and Karen Joyner will be moving back to Idaho on Saturday.

The moderator asked for prayer requests. We sang "Thank You Lord For Saving My Soul" and Jack Sauls prayed the closing prayer.

Evangelism: Matthew O. Sears reminded us from an "Unclose" article that "there is a lot of **go** in God." It takes 31 resident church members to reach 1 person for Christ per a report in the "Biblical Recorder." Baptisms are up but we still need more, there is room for improvement.

Hispanic Ministry: Teri Staps reported an average attendance of 52 for church, 25 for SS, 10-15 for children's church, 12-25 for prayer service, held a Bible study on Joshua, had 4 baptisms, have Saturday visitation, have new sound system and new chairs, planning VBS in July, held Mother's Day steak cookout at Cliffs of the Neuse with about 100 people attending, planning Father's Day event at Cliffs also. She thanked the association and the churches that helped by giving school supplies to them. Teri is a Mission Service Corp Worker for the NAMB.

Personnel: Ron Varner-Chairman, Mary Oliver, George Fox, Don Jacobs, and Don Meadows who are the personnel committee members, and David Leary presented a candidate for Director of Church and Community Ministries. Rev. Ron Varner presented in the form of a motion to extend the call to Rev. Ray Brown for CCM. The candidate and his wife were dismissed while there was a discussion. The motion passed by a show of hands to extend the call to Rev. Brown. He and his wife, Joy, are appointees to the NAMB and will be appointed in July. He would be available to NBA by mid July or August 1.

David Leary gave 14 things we need to do to plan ahead. He asked that we pray for our churches that are looking pastors, Mount Nelson, Rivermont, New Life, Calvary of Goldsboro; the leadership of interim pastors in these churches; new pastors and their wives and families; Rev. Jack Sauls, Rev. Pete Bass' wife, Alma; your church; your family; youth and adults.

Dr. Tom Jenkins from the Baptist State Convention was a guest speaker. He encouraged us to keep the vision to reach people for Christ and provide the means to accomplish this vision. He introduced Wendy Minton Edwards, the Regional Resource Director for the BSC of NC. She will have an office at the RTC.

Mrs. Edwards spoke briefly. She said, "We will be courageous partners with our Lord and we'll work together to do all things so that all men might come to know Christ."

David Leary received a report from Pittman-Price Audit, there were no material modifications with

the accompanying financial statement. Jean Kirk was recognized for her good work in keeping the books for the NBA.

Clerk: Mary Ann Croom did the roll call.

Leisure/Resort Ministry: Ashley Summerlin advised the Cliffs of the Neuse State Park does allow baptisms in the lake with permission. He also urged the churches to get involved in the summer program for Sunday services at the park.

Scholarship Fund: Carey Washburn reported there were 8 applicants and five $500.00 scholarships were awarded thru the Russell and Joeann Ault Scholarship Fund. They were awarded to Rodney Dawson, Sheri Jones - Mt. Olive College, Rick Mondell - SEBTS, Hannah Leary Poe - ECU, and Melissa Whaley - ECU.

Jean Kirk had available the Annual Church Profiles for each church.

The meeting closed with praise reports and prayer requests. Rev. Steve Gillette prayed the closing prayer and we sang "Jesus, Name Above All Names."

September 13, 1999

The fourth regular Executive Board Meeting, of the Neuse Baptist Association, was held at Bethel Baptist Church at Jonestown, on Monday, September 13, 1999. A delicious meal was served in the fellowship hall at 6:30 p.m. At 7:30 p.m., the Children's Choir, under the direction of Kristin Williams Sumner, sang "Heavenly Father, I Appreciate You," "Seek First the Kingdom of Heaven," and "How Do You Know?"

Pastor Jimmy Williams led the opening prayer. The scripture was Ephesians 1:22-23.

About 7:45 p.m., Moderator George Fox called the meeting to order. Jim Turbyfill was appointed as the parliamentarian and will be moderator at the December meeting. We heard the following reports: Treasurer's Report-Richard Poteat, Stewardship-Lacy Oliver

Bonita Leary, WMU, it's almost time for the State Missions Offering. WMU, Brotherhood, and Disaster Relief depend on this offering for their livelihood. The emphasis for the new WMU year is "Transformed to Take the Stand." There was a Leadership Training session with a record attendance of 48 with 13 churches represented. The Leadership Team is ready to come to your church when you need help.

Tom Waits, Sunday School, SS leaders should be trained and equipped to carry out the definition of SS for the 21st century. The new definition of SS is: "The foundation strategy in a local church, for leading people through faith in the Lord Jesus Christ, and for building great commission Christians through Bible study groups, that engage people in evangelism, discipleship, fellowship, and ministry." SS Leadership training will be Tuesday, 9/21 at the RTC; bring all your teachers and leaders.

Tom Waits for Kathryn Waits, VBS reports have been turned in for all churches except for three. VBS was held in all but two churches in the NBA this year.

Jack Watson, reporting on New Work, he praised the pastors of the association for the outstanding job that they are doing, for their great work and especially the bi-vocational pastors, such as Jimmy Williams. He has poured his heart out in his work and his ministry, and seems to have benefitted in both areas. Rev. Watson encouraged the churches to honor their pastors by doing something special for them to let them know how much you love and appreciate them. He asked for prayer for Chris and Deborah Winans, who served at Spilman as the Youth Minister, and who are now doing mission work near Madagascar.

He presented a handout for the new work proposing a Baptist Family Life Center for the partnership with Spilman Memorial Baptist Church, the North Carolina Baptist State Convention (BSC), and the Neuse Baptist Association (NBA). The center would be located on a neutral site within the Kinston area. There is funding provided by the BSC and the NBA has funding available, also. We propose a position for a full time staff person, who will spend 60 percent of their time with Spilman objectives and 40 percent of their time with participating area Kinston churches. This position will help build a close partnership with our sister churches through discipleship, Bible studies, and youth activities. This person will also help coordinate children and senior citizen events. The council will consist of the DOM, Senior Pastor Spilman Baptist Church, and participating NBA churches, who will meet on a monthly basis to plan a calendar of events. For this project the total package is $31,000.00. The 1999 funding is already in place if all the approvals go favorably. The BSC has already approved these funds. The NBA has to say yes, and Spilman has already said yes. The participating churches will need to make up $2,000.00 a year or $167.00 per month. We will not need any more funding for 1999 or 2000. These North Carolina funds have already been approved. Your approval will not change or add to the existing NBA budget.

There was a motion from the committee that we vote to approve the proposed partnership. After much discussion there was a motion to table the vote until the December meeting because there was not enough representation from the Goldsboro area. The motion was seconded. The vote, by the uplifting of hands, failed due to lack of favorable majority. After more discussion on the proposal, we voted by uplifted hands; the vote was unanimous.

Ron Varner, Personnel Committee, a candidate for CCM Director is in the process of being approved by the NAMB and will be introduced at the December meeting.

The personal committee presented, as a matter of business, Jeanette Walters, as the person to fill the position for the Family Ministries Life Director. We voted by uplifting hands. The motion carried.

Ashley Summerlin, Disaster Recovery, the Disaster Relief Van has been out 3 times in 1 month. There is need for some supplies and tools on the Disaster Trailer. We saw a short video of the Disaster Relief work being done in Oklahoma recently. There will be a disaster hands on training session at the RTC on October 30, 1999, 9 a.m. to 4 p.m. He made a plea, we are in desperate need of a van at the NBA office to help transport helpers to a disaster when the disaster trailer goes out, and also be available to those churches that do not have a van.

Harold Burton, Equestrian Ministry, has been contacted by Missions Corps volunteer Anita Roberts in Florence, KY; there is a need for 100 blankets.

Ned Sauls, Seminary Extension, there are courses available at the RTC that are very cost-wise to anyone that wants to learn. We have courses from six different seminaries. We will be meeting on September 21 at the RTC for those interested in taking these courses.

Jean Kirk announced for Music Director Gene Martin there will be practice for the Christmas cantata, "I Love To Tell the Story," at the RTC, on Sunday afternoon, September 26. The cantata will be presented on Sunday December 11; place will be announced later.

Open House will be at the RTC on Wednesday, October 27, 10 a.m. to 4 p.m. The offices and upstairs apartments will be open for tour. Refreshments will be served.

DOM, David Leary, expressed thanks to Jack Watson and his church for their total commitment that exceeds the amount we normally allocate to start European-American churches anywhere in NC. It speaks very well for what we are trying to do. The SBC is impressed how we, as the local church, are beginning this work. A recent study shows that people say the three most important reasons they join a church is the warmth and friendliness of the congregation, the influence of family and friends, and the influence of the pastor.

The greatest need in our local churches is to have its leaders doing God's work in their church and their community where the church is located. Leadership is a process and an intimate expression of the Holy Spirit living in us; what we are shows by our actions. Leaders must be willing to grow constantly;

they make things happen. There will always be a job for the person who knows how, and that person will always work for the person that knows why.

Mary Ann Croom did roll call; there were 21 churches, 16 pastors, for a total of 88 present.

We closed with praise and prayer requests. Harold Burton prayed the closing prayer, we sang the "Doxology." The meeting dismissed about 9:45 p.m.

Jo Anne Sanderson-Dew, gave thanks to the association for the scholarship she received from the Russell and Joeann Ault Foundation in May 1999. She has received her Master of Arts degree in Christian Education.

PROCEEDINGS

NEUSE BAPTIST ASSOCIATION'S SEVENTY-FIRST ANNUAL MEETING

October 25, 1999

The Neuse Baptist Association held the first half of its Annual Meeting at Falling Creek Baptist Church of Goldsboro on Monday, October 25, 1999, at 7:00pm. Registration was 138 representing 22 churches, 1 Hispanic Mission, and 19 pastors. Falling Creek Choir sang "We Are Standing On Holy Ground." The meeting was called to order by Moderator George Fox. Pastor Ron Varner welcomed everyone and led the opening prayer. Falling Creek Church celebrated their 151st birthday on September 19th. The theme was "For Such A Time As This," from Esther 4:14, "Yet who knows . . . maybe it was for a time like this." Music Director Gene Martin led the congregation in singing "Go Tell It On the Mountain."

Mary Ann Croom, clerk, made a motion that those registered now, and those that will register later, constitute the voting body of this Seventy-first Annual Meeting of the Neuse Baptist Association at Falling Creek Baptist Church on October 25, 1999. This was approved via verbal response.

Nancy Wilkie said there was nothing new to add to the historical update except the flood of the century that happened in September, so that information did not get in the report.

Director of Missions, David Leary, introduced Chad Hall, who is the new consultant for Discipleship and Leadership with the Baptist State Convention. Mr. Leary was in the Buncombe Association recently, ABC television interviewed some of the members there with the Disaster Relief Ministry team and partnership. The radio station and newspaper also interviewed the team. Mr. Leary recognized Ron Kiser, who is the Congregation Consultant and New Work Consultant from Buncombe Association, Asheville, NC. There are 95 churches in that association and they have voted to partner with NBA for a long term disaster recovery partnership.

The Disaster Relief Fund offering at this time is $30,325.85. Seven Springs Church will be awarded $3200.00. A small congregation from Weatherford, TX. sent a check for $127.00, and Pikeville First sent a check for $50.00 making the total now $27,302.85. Ashley Summerlin will give a report tomorrow night. Seven Springs Church voted unanimously, after 108 years and being flooded for the sixth time, to move to higher ground and to give the pastor a housing allowance. They have three pieces of property to choose from to relocate. Hearts and Hammers, a church building team from Charlotte with 110 to 150 workers that work 24 hours each day, will start building the new church in July and in 30 days the church will be ready to move into.

Mr. Leary made reference to the DOM report on page 33 of the Book of Reports. What if there were no Neuse Baptist Association? What if each autonomous Baptist church had no association with sister churches? What if we could not count on the prayers and the council and the support of any one other than the members of a single church? There would be no assistance for the flood ravaged churches and families. There would be no fellowship among our Baptist congregations. The Mar Mac area of Wayne County suffered much damage, there are 136 homes out of 140 homes flooded in Seven Springs, and in the Kinston area several hundreds were damaged. Many disaster teams have aided in recovery, many churches and individuals have helped tremendously. NBA has not helped all that we want to do, and not all that is needed. Together we have fed many, furnished supplies and labor for clean-up, encouraged many, planted seeds of evangelism, and affirmed God's victory in Jesus Christ. Thank you for being a part of the ministry of the NBA.

Ministry by churches is going to change more in the next 10 years than it has in the last 50 years. We need to get ready for the changes. Disaster teams have fed thousands of meals and 57,000 have been fed at Madison Ave, and Tennessee Baptists have fed more than 60,000 at Kinston First Baptist. People in need say this about the disaster teams, "You are a God send."

The State Convention is saying, and we will encourage you to try to get the "Church to Family Partnership" forms to adopt a family. If you do this, the state convention will give that family $1,000.00,

and NBA will try to match that amount. If you know of a family that needs this kind of help please get the forms to them.

Mr. Leary recognized the new ministers: Jeanette Walters-Family Ministries Director; Keith Aguila-Love Memorial - Youth and Associate Minister; Glassie Locklear-Rivermont; Pete Bass-Calvary Goldsboro; E. C. Mattocks-Rosewood; James Medlin-Mt. Nelson; Steve Gillette -Sandy Bottom; James Tillman-Kennedy Home; and Steven Halvorson-First Baptist-Kinston-Youth and Children. The guests present were Chad Hall, Ron Kiser, and Tony Cartledge.

Miguel Arbon, pastor of the Hispanic Mission in La Grange, expressed appreciation for any support from the churches. He is leading a weekly Bible study at Love Memorial, leads Bible studies at Beaman Camp in Goldsboro, and at the Tull Hill Camp in Kinston. He is an interpreter also.

Ray Herring gave the Property and Equipment report, the additions and improvements such as landscaping, fencing around the disaster trailer, cement slab for disaster trailer, storage building, shelter for back door entrance, and the completion of the upstairs apartment have been done. The cost was about $70,000.00; $40,000.00 was donated and $30,000.00 was received from the association. The apartment has been used very much; at present, Ashley and Cynthia Summerlin are living there.

M. O. Sears presented the Evangelism Report. A goal of 1 million baptisms has been set for next year. This is to be a team effort involving every state in the SBC. VBS is an excellent tool to win others to Christ. 60,000 accepted Christ through VBS last year; there were 94 decisions in NBA through VBS. We need to make soul-winning a priority.

Gene Martin has recently returned from South Africa where he spent two weeks helping build a church. He received a letter from the congregation; they will have their first service in the new church this Sunday. Praise the Lord!

Music Director, Gene Martin, led the congregation to sing "I Know That My Redeemer Liveth" for the offertory hymn. The offering taken will be used for the Disaster Relief Fund. Jeanette Walters, Family Ministries Director, prayed the offertory prayer, her home was effected by the flood.

BUSINESS: The Annual Meeting Committee (Barbara Johnson, Tom Waits, and Ann Joyner): Barbara Johnson made a motion to invite Jack Watson to give the Annual Sermon next year. The dates will be October 23, 2000, at Spilman Baptist in Kinston, and October 24, 2000, at Seven Springs Baptist. The motion passed via verbal acceptance.

The 2000 NBA Calendar was presented by David Leary. There was a change in the December meeting place; it has been changed from Goldsboro First to Adamsville Baptist. A motion passed via verbal acceptance.

Jack Watson distributed a copy (copy of the motion on file in office) of the motion that NBA will establish a Disaster Relief Fund committee to oversee distribution of funds received by the association. The committee on a regular basis will review, approve, and distribute financial assistance and in kind gifts, as needed by ministers and congregations, that were affected by hurricane Floyd. The committee will consist of the following positions: DOM, NBA Treasurer, NBA Disaster Coordinator, and 2 members at large. The committee will report their efforts at each executive meeting. The motion was 2nd by Nancy Wilkie, the motion carried via verbal acceptance. The nominating committee will nominate the 2 members at large, 1 from Goldsboro area and 1 from Kinston area. Mr. Watson expressed appreciation to David Leary in regards with the partnership in the association. We have $27,000.00 and look forward to receiving more funds to help the congregations any way we can.

The Falling Creek Choir sang "Bow the Knee." Then George Fox welcomed and introduced the speaker, Tony Cartledge, who is with the *Biblical Recorder*. His scripture was Ephesians 4:4-16 and Acts 9:31. We need to grow in grace and knowledge and be willing to learn.

Pete Bass led the Benediction and Blessing of the refreshments to follow the ending of the service.

Respectfully submitted,
Clerk: Mary Ann Croom

PROCEEDINGS

NEUSE BAPTIST ASSOCIATION'S SEVENTY-FIRST ANNUAL MEETING

October 26, 1999

The Neuse Baptist Association held the second half of its Annual Meeting at First Baptist Church of Snow Hill, Snow Hill, NC on Tuesday, October 26, 1999 at 7:00pm. Registration was 101 representing 23 churches and 15 pastors. Pastor Gene Martin led the opening prayer; the congregation sang "Open My Eyes That I May See." The Snow Hill Baptist Church Choir sang the call to worship, "Wonderful Grace of Jesus."

Tom Waits presented the Sunday School report. We need more in Sunday School. SS is the outreach arm of the church and is the organization that has caused our churches to grow. SS is the foundational structure of the local church for building great commission Christians. SS is a seven day a week plan that involves people to reach out to people and tell them about Jesus Christ. The Bible Teaching Reaching Ministry of the church can make the difference in our SS attendance.

Ramona Horton reported on Bible Drill competition. She encouraged churches to get their children and youth involved in Bible Drill or the Speakers Tournament. At present there are teams at Love Memorial, Rivermont, Rosewood, and Deep Run. It is for children, grades 5 through 6, youth grades 7 through 9, and speakers tournament grades 10 through 12. Special recognition was given to Jason Blackburn of Deep Run First Baptist. He was presented a plaque for being successful in the youth program for three years; he is a third year winner in Bible Drill Competition.

Bobby Heath reported on Discipleship Training. He made reference to Ephesians 4:11-13. Our first priority should be to be a discipler for Christ. We are to prepare God's people to serve, build up the body of Christ, and to win the lost.

Bonita Leary presented the WMU report. It is a great feeling when you hear from someone who is concerned about you. Pete and Jewel, a couple from Long Island, NY, called when Hurricane Floyd came because they were concerned about those that they had met who had gone to NY on a mission trip. A seminar was held at the RTC on "Stop the Violence." The Leadership Training had record attendance even though Hurricane Dennis was on the way. We have had excellent attendance at the meetings. The World Day of Prayer will be at the RTC on November 1; Cari Gillette and the women at Sandy Bottom will lead the session. The Acteens will meet November 8th, at Love Memorial. Age level consultants are available for GA's, Acteens, Children in Action, and Youth on Missions.

Rick Mondell gave this report for Brotherhood. He is Youth Educator at Emmaus Baptist Church and a student at SEBTS. The Pinewood Derby and the Baseball meet were successful, but the Track Meet was rained out. In the new year Brotherhood training will be available. When we become Christians, we are transformed not only on the inside, but on the outside as well. We want to share God's Word; tithe; get involved in SS and church activities such as Brotherhood, WMU, GA's, and Acteens, and ask others to become involved. Things we say and the way we live show our love to each other.

Gene Martin, Music Director, said the Music Library is available if you need to borrow music or books for upcoming meetings. There is a need for volunteers to provide music for our meetings. Rev. Gene Martin encouraged all the churches to come and join in for the Christmas cantata, "I Love To Tell the Story," to be held at First Baptist Church, in La Grange, on December 11, 1999 at 3pm.

We sang "Because He Lives" for the offertory hymn. Jack Watson prayed the offertory prayer. The offering will go to help our members who have been affected by the recent flood.

While the offering was being taken the congregation sang "Sweet, Sweet Spirit."

Memorials were presented by Cleve and Nancy Wilkie. Each name was read of the ones who have passed away in the past year. Names of Helen S. Howell, Juanita Elmore, and George W. (Doc) Struthers from Union Baptist Church were added to this list. The congregation stood for a moment of silence in remembrance of these past members.

Ramona Horton reminded us of the state led meeting for Bible Drill to be held at Love Memorial next week.

Richard Poteat reporting for Don Meadows gave the Finance Committee report. The finances are in excellent shape. The Pittman Price audit report was favorable. The proposed budget for year 2000 was presented; a motion was made and carried that the budget be accepted.

Nominating Committee: Tom Jones expressed appreciation for the way people have responded in accepting their positions. The nomination of officers for year 2000 was accepted as presented. The nominating committee also recommended these names for the Disaster Relief Fund Committee; DOM, NBA Treasurer, Disaster Relief Coordinator, and 2 members-at-large who are Odell Tyndall from the Goldsboro area, and Beth Crisp from the Kinston area.

Miscellaneous Business: Mary Ann Croom, clerk, stated that registration for the October 25 meeting was 101 representing 22 churches, 1 Hispanic Mission, and 19 pastors. Offering for the Disaster Relief Fund was $441.00. Registration for the October 26 meeting was 138 representing 23 churches and 15 pastors. Offering for the Disaster Relief Fund was $214.00. The total offering is $655.00.

Tommy Rogers read the scripture passage John 3:3-19. The First Baptist Church Choir of Snow Hill sang "If You Receive, You Must Believe." Rev. M. O. Sears delivered the annual message, "Our Christian Hope." How can a man that I have never seen, never heard, never spoken to, nor touched, that died over 2000 years ago, do any thing for me? Jesus deliberately gave His blood and His life for us, so that we may have eternal life.

The installation of the new officers for NBA for year 2000 was presented by Moderator George Fox.

Rev. Glassie Locklear led the Benediction and Blessing of the refreshments to follow in the new fellowship hall.

Respectfully submitted,
Clerk: Mary Ann Croom

HISTORICAL UPDATE/1998-1999

During the year 1998-1999 the Neuse Association was without a Church and Community Ministries Director. The former CCM Director, Isaiah Mejia, resigned to accept a similar position in Las Vegas, Nevada. The Personnel Committee serves as the search committee, with the members of the committee being Ron Varner, Chairman, Ben Ramsaur, Don Jacobs, Mary Oliver, and Don Meadows. During the year, two men were presented to the Executive Board for its approval. One of the candidates, however, withdrew his acceptance, and the second candidate was not approved by the North American Mission Board. The Search Committee continues to work to fill this significant vacancy on our association staff.

The apartment on the second floor of the Resource Training Center was occupied for six months (October–April) by missionaries-in-residence, Clarence (Chuck) and Karen Joyner. The Joyners have served in South Africa on two assignments as International Mission Service Corps volunteers. Due to Mr. Joyner's health, they had to return to America. The Joyners spoke in 15 churches throughout the association, plus participated in many association events. They now live in Idaho.

The association has always relied on volunteers for the help necessary for its full and efficient operation. From the time of our first Association Missionary, Rev. Dick Whitley, to the present, many hours of labor by volunteers have enhanced the work of the association. With the building of the Resource Training Center, the need for volunteer workers greatly increased. Volunteers helped with landscaping around the building and painting of the second floor. The entire operation of the disaster recovery trailer and handyman ministry is manned by volunteers. Three wooden boxes and wooden shelves over the wheel housing were constructed by volunteers. A storage shelter and chain link fence to house the trailer have been erected.

The Resource Training Center office relies on the help of many volunteers to do the multiple jobs necessary for efficient operation of the facility. The April and August issues of "The Neuse Messenger" expressed a special thanks from Jean Kirk, Administrative Assistant, to the office volunteers. Women come from various churches on the day scheduled and serve from about 11:00-2:00PM enabling the office to stay open during lunch time. They answer the phone, help with various projects, and give reminder calls.

Also, a group of ladies from Madison Avenue Church comes each month to assist with the preparation of the "The Neuse Messenger" for mailing. A large number of folks from several churches came to the RTC and helped assemble and check the prison ministry "cheer bags" in November 1998. There are many more, who lovingly give their time in activities that make the Neuse Association a vibrant force in God's kingdom as lived and worked out in our area.

DIRECTOR OF MISSIONS REPORT

Hurricanes Dennis, Floyd and Irene have touched all of our churches. The power of the winds and the rains have caused us to watch in awe as flood waters have risen around us. Never have I witnessed such devastation.

Some of the people in our churches have lost their houses, furnishings and businesses. Several of our churches have experienced severe damage. There seems to be a traumatic numbness surrounding us. In the midst of this we have been keenly aware of God's presence and activity among us.

Teams from numerous churches and associations in North Carolina as well as from other states have come and will continue to come to help us in disaster relied efforts We are discovering a deeper meaning of partnership as Buncombe Association (Asheville), Dan Valley Association (Reidsville), Catawba River Association (Morganton), Randolph Association (Asheboro), and Sandy Creek Association (Sanford) partner with us to help meet the needs of flood victims in our association.

We are grateful to the feeding units made available to us by North Carolina Baptist Men and by the Tennessee Baptists.

Our churches have remained faithful during this year.
- 725 Cheer Bags were provided for our prison ministry.
- 500 Migrant Kits were provided for our migrant ministry.
- Every church and mission contributed financially to the association budget.
- Executive Board meetings have been well attended.
- A spirit of cooperation among the churches continues to grow.

Several churches have welcomed new pastors and staff members:

-James Medlin	Mount Nelson	Pastor
- Pete Bass	Calvary, Goldsboro	Pastor
- Jack Sauls	Trinity	Pastor
- Steve Gillette	Sandy Bottom	Pastor
-Pat Kilby	Adamsville	Pastor
- Jim Tillman	Kennedy Home	Pastor
- Steve Halvorson	Kinston, First	Minister of Youth
- Belinda Butler	Kinston, First	Minister of Music
- Edwin Jewell	Madison Ave.	Minister of Music and Sr. Citizens
-Dave Fishman	Madison Ave.	Minister of Youth and Children
- Keith Acquila	Love Memorial	Minister of Youth, Associate Pastor
- E. C. Mattox	Rosewood, First	Associate Pastor
- Jeannette Walters	Spilman	Minister of Discipleship
- Glassie Locklear	Rivermont	Interim Pastor
- Dade Sherman	New Life	Interim Pastor
- Cleve Wilkie	Grainger	Interim Pastor

Three persons were ordained to the ministry during this year: Greg Kincaid (Neuse), Keith Acquila (New Life) and Pete Bass (Calvary, Goldsboro).

The faithfulness of God's people and the love for one another expressed in numerous ways has made this a year flooded with blessings. May our Lord be glorified in all that we do.

EVANGELISM REPORT

"Partners in the Harvest" is the SBC program for celebrating the 75th anniversary of the Cooperative Program. A goal of one million baptisms has been set for next year. This is to be a team effort involving every state convention in the SBC.

One of the effective tools for reaching souls is Vacation Bible School. In 1998, 3.2 million were enrolled in VBS and 60,000 accepted Christ. In Neuse Baptist Association during 1999, decisions for Christ during VBS totaled 94. Start early and make thorough plans for your next year's VBS.

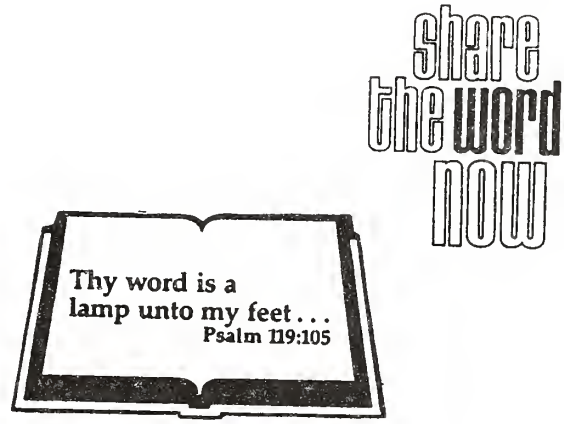
Again this year on July 29th and 30th, many of our churches took their youth to the annual state youth evangelism event called "Super Summer 99" at Carowinds.

The North Carolina Baptist State Convention will be in annual session at the Lawrence Joel Memorial Coliseum in Winston-Salem, Monday & Tuesday, November 15-16, 1999. Be much in prayer for our convention and all who can, make plans to attend. This is the year that the question of "shared membership" will come before the convention.

Some good has come from Hurricane Floyd. When the thousands of people have come to help each other, if they shared Christ, who knows how many received a spiritual blessing. From all reports there has been a wonderful spirit of love and cooperation that will not soon be forgotten.

At the writing of this report, all church letters from Neuse Association have not been received; however, we look for our record of 374 baptisms last year to be even greater this year. The challenge to work toward a goal of 500,000 by the year of 2000 is still before us. It remains to be seen what really would happen if every church in NBA would make soul-winning a priority.

Respectfully submitted,
Matthew O. Sears



WOMAN'S MISSIONARY UNION REPORT

TRANSFORMED, the 1998-1999 emphasis for WMU, was the theme for the annual NBA WMU spring meeting held at First Baptist Church of Kinston. Jennifer Kennedy Dean was the featured speaker. Special music was provided by Deb Winans.

A "Stop the Violence" Seminar was held at the Resource and Training Center in January. Panel members were Judge Don Jacobs, Former Wayne County Sheriff James Sasser and the Director of Safe House in Kinston.

The theme for the WMU/Brotherhood Breakfast was "Doing Missions from Now to Eternity." Clay Warf, Bill Overby and Mary Ann Sides of the North Carolina Baptist Foundation were guest speakers. The breakfast was held at Pope's Restaurant in Goldsboro.

Girls in Action met missionaries, enjoyed ethnic foods and learned about missions at their "Missions Fair" planned by Girls in Action Consultant Terri Carpenter and held at the Resource and Training Center.

Bonnie Gaddis, Women on Mission Consultant, led an enjoyable study of the book TRANSFORMED for the annual Women on Mission event. The study was held at the Resource and Training Center.

In spite of Hurricane Dennis attendance for the WMU Leadership Training was excellent. Local church WMU leaders gathered at the Resource and Training Center for an overview of the WMU emphasis for 1999-2000. The theme for the coming year ,TRANSFORMED. . . TAKE THE STAND, is a continuation of the 1998-1999 theme.

The WMU Leadership team for 1999-2000 is ready and eager to work with WMU organizations in the local churches.

Bonita Leary, WMU Director, NBA

SPECIAL MINISTRIES REPORT

June 13, 1999, NBA special ministries had a picnic at Cliffs of the Neuse State Park. It was a good time for all who attended. We had about thirty present. This included individuals, staff and Sunday School teacher. We ate sandwiches and walked the trails.

The September 26, 1999, NBA special ministries event to be in Kinston at the Galaxy Sports Center was cancelled due to Hurricane Floyd.

N.A.B.S. REPORT

(Neuse Association Baptist Seniors)

The spring NABS event was held on May 20, 1999 at the Resource and Training Center. Falling Creek served as host church. There were 55 in attendance representing 12 different churches. Financial Planning Consultant, Lee Davis of Edward Jones firm in Kinston, was the program guest.

The fall NABS fellowship was held on October 7, 1999 at the Resource and Training Center. There were 59 present from 10 different churches. Goldsboro First Church served as hostess. Program guest was Lyndon Fuller of M & T Travel World in Kinston.

This senior adult event is scheduled a year in advance and is on the association's calendar. It meets semi-annually on a Thursday in the spring and fall. The meals are covered-dish and begin at 12:00 noon. Door prizes, music and laughter are always a part of this time of fellowship. Plan now for your church to be represented when the roll is called.

Individuals and groups from each church are encouraged to participate, along with pastors, staff and other interested persons. Jack Hankins, member of Spilman Memorial, is currently serving as director and master of ceremonies of the events. If you have any program suggestions or questions, please call Jack at (252) 523-5289.

DISCIPLESHIP REPORT

Paul said in Ephesians 4:11-13, "It was he who gave some to be apostles, some to be prophets, some to be evangelists, and some to be pastors and teachers, to prepare God's people for service to building up the body of Christ."

We should look on discipleship as a ministry and not a program. If we are serious about winning a lost and dying world to Jesus, our priority should be to disciple the converts.

Not one of us would have a baby and forget the responsibilities, but yet that's what churches are doing. The convert should be our first priority to disciple them for their becoming a discipler.

If you don't have discipleship, don't worry about the past; look to the future leaders of our churches.

Bobby Heath

NBA SECRETARIES LUNCHEON FELLOWSHIP
DECEMBER 3, 1998

The theme, "Stars of His Kingdom" was carried out in the decorations, devotion and meal. The lunch, catered by Jean Kirk, was "muffin delight" with pound cake and nutty-butter ice cream for dessert. Packages of dinner napkins and NBA note pads were given at the close of the meeting as favors. Resident missionary, Karen Joyner, was our special guest. Eleven were present representing three churches: Kennedy Home, Kinston First and New Hope.

NBA SECRETARIES LUNCHEON FELLOWSHIP
APRIL 23, 1999

The theme for this semi-annual event held at the RTC was "Hat's Off to Secretaries." The salad lunch with a dessert of Angel Food Cake and strawberries was catered by Jean Kirk. Special guest, Louise Shepard, brought an array of hats from Proffitts. Everyone had the opportunity to try on hats and have a picture made as a souvenir. Small, decorated hats were given as favors. Twenty-one (including six RTC volunteer secretaries) were present from ten of our churches: Neuse, Kennedy Home, Snow Hill, Adamsville, Love Memorial, Falling Creek, Spilman Memorial, Goldsboro First, Kinston First and New Hope. The devotion included Dot Dawson reading, "Beauty Secrets," and a line-group reading of Philippians 4:8.

Full time, part time, paid or volunteer secretaries are encouraged to attend the luncheon fellowships. By vote of those in attendance some years ago, the event is held on a Thursday. The spring event is close to the National Secretaries Day/Week.

MUSIC REPORT

This year in the association music has played a vital part in not only all of our meetings but also, in the joining together of the churches and a community sing. All of our meetings annual and regular have been greatly enhanced by the sharing of the gifts and talents of those in the different churches who are willing to give of themselves so freely.

We've had a great opportunity this year to be able to locate music and cantatas for several of the churches who had some problems in finding just the right music or finding the right piece of music.

We've been greatly assisted by the Baptist State Convention and several other churches who are non-Baptist. We were greatly blessed by the sharing of the churches in presenting, during the Christmas season of '98, a Christmas cantata entitled "He's Still the King of Kings" by Mosie Lister. The performance was given at the First Baptist Church of Snow Hill. We had folks from Union, New Hope, Snow Hill, Seven Springs and Adamsville Baptist churches participating. The program was a great success and we are very proud to say that during the year of '99 we will present our second annual association Christmas cantata.

This year we will be doing "I Love to Tell the Story." It will be presented at LaGrange Baptist Church on Saturday, December 11, 1999 at 7:00PM. All churches in the association are encouraged to participate, and to come and listen as we share this beautiful music.

We are looking forward in the next year of being able to be of greater service to the churches in the areas of training, music location, presentation of special programs, such as the cantata, and overall helping to enhance all of our meetings with music.

Gene Martin, NBA Music Director

The Executive Committee
NEUSE BAPTIST ASSOCIATION
La Grange, North Carolina

We have reviewed the accompanying Statement of Position of NEUSE BAPTIST ASSOCIATION (a not-for-profit organization) as of December 31, 1999 and the related Statement of Activities and Changes in Net Assets and Cash Flows for the year then ended, in accordance with Statements on Standards for Accounting and Review Services issued by the American Institute of Certified Public Accountants. All information included in these financial statements is the representation of the Executive Committee of NEUSE BAPTIST ASSOCIATION.

A review consists principally of inquiries of Association personnel and analytical procedures applied to financial data. It is substantially less in scope than an audit in accordance with generally accepted auditing standards, the objective of which is the expression of an opinion regarding the financial statements taken as a whole. Accordingly, we do not express such an opinion.

Based on our review, we are not aware of any material modifications that should be made to the accompanying financial statements in order for them to be in conformity with generally accepted accounting principles.

Respectfully Submitted,

B. Efforts are made to select and place personnel physically, mentally and temperamentally fitted to assigned jobs.
C. Insofar as possible, the Association provides adequate material and equipment and keeps working conditions pleasant and comfortable.
D. In an effort toward incentive, security and opportunity, fair compensation is provided for work performed, along with reasonable assurance for continued employment and hope for advancement.

SUMMARY OF EXECUTIVE BOARD MINUTES

December 1999 - June 2000

December 6, 1999

The Neuse Baptist Association held its first executive board meeting of the new association year at Goldsboro First Baptist Church, on December 6, at 6:30 p.m. A delicious meal was served by the members of the church, in the fellowship hall. Minister of Music Fred Kelly led the congregation in a song. The special music was by a ladies duet and a men's quartet.

The meeting was called to order about 7:30 p.m. by Vice Moderator Jim Turbyfill in the absence of George Fox. Rev. Turbyfill led the opening prayer.

We heard the following Mission Performance reports:

Treasurer's Report: - Assistant Treasurer Ashley Summerlin presented a written treasurer's report. It was accepted as presented.

Property and Equipment: - Gene Miller - He said there are no major things to report at this time. He expressed thanks to all the churches for allowing the use of the apartment at the RTC for Ashley and Cynthia Summerlin, who are currently living there while they are flooded out of their home, and for Seven Springs Church to use the RTC for their regular services.

WMU: - Bonita Leary - She reminded us of upcoming events on the new calendar. There will be a brunch January 15 at RTC. A GA event will be led by Terri Carpenter, on January 29. The WMU Annual meeting will be held at Goldsboro First Baptist on April 10, Maxine Bumgarner, Executive WMU Director from West Virginia will be the speaker.

Jeanette Walters reported on the Acteens event held in November, at Love Memorial. We have only two churches with Acteens groups, Love Memorial and Rivermont. Two churches just starting Acteens are Spilman and Falling Creek. She challenged the churches of the need to be very busy in educating our people about missions. If we don't educate our young people in missions now, there will be no mission groups in five to ten years, including Baptist Men and WOM. The Acteens, Youth on Missions leaders, and Challengers training event will be February 12, at Kennedy Home.

Baptist Men: - David Leary reported for Paul Bollin: He made note of calendar changes for the RA and Missions Fair and Car Race event to be in February, at Kennedy Home. The RA, Acteens/GA Annual Field Day Track Event will be at South Lenoir High School in Deep Run, April 22.

Sunday School: - Tom Waits - The SS team only spent $600.00 of their allotted funds due to budgetary problems in Nashville this past year. Drastic changes will be taking place in the new year . Teams from all associations will be going to a training session at Guilford Baptist Church in Greensboro, in February. There is a need for one person on the team, who is familiar with adult SS work, who is willing to be trained for our team. All churches will be receiving a package with samples of the new SS materials for the new century in January. The Winter Bible Study for 2000 will be on 1st & 2nd Thessalonians, "Live for the Future, Now."

VBS: - Tom Waits for Kathryn Waits - The VBS theme for 2000 is the "Fantastic Good News: Ocean Odyssey." There will be VBS clinics scheduled in the spring.

Discipleship Training: - Jack Sauls - The Bible Drill clinic was held at Love Memorial, with good attendance. Discipleship training and resources will be available for churches and pastors in 2000.

Evangelism: - Pat Kilby reporting for Bobby Heath - We have computer software available for maps and addresses that is very helpful when you are doing outreach.

Music Ministry: - Gene Martin - He invited everyone to attend the second annual Christmas Cantata, "I Love to Tell the Story," that will be at La Grange First Baptist, Saturday, December 11. There are six churches participating with thirty members represented.

Personnel: - Ron Varner - We rejoiced with Ron in that his wife took her final chemotherapy treatment today, and the doctors are calling her cancer free. He introduced Rev. Jon Hoey as the candidate for CCM Director, and wife, Gale. The candidates were dismissed from the meeting during the discussion. Profiles of Rev. Jon Hoey had been distributed to everyone to be reviewed. There were twelve references mailed out for Rev. Hoey and they all were returned with high recommendations. He has been appointed as a missionary to the NAMB. He and his wife also speak Spanish. Rev. Varner reviewed the profile and other comments with the congregation, then he made a motion that we call John Hoey as CCM Director. No second was needed since the motion came from a committee. There was some discussion. Tom Waits made a motion that the votes be via secret ballot and with a two-thirds majority. Varner added to the motion that we vote by written ballot and he added, though our constitution does not specify, we could vote by a simple majority vote. It is in the agreement of the personnel committee that since this is such an important vote and it concerns a staff position that we set, as a standard, that we must receive a two thirds majority vote. Bill Stallings and Don Meadows, personnel committee members, tallied the ballots. David Leary stated the guidelines for the ones who are eligible to vote. The voting people are to be the officers of the NBA, standing committee chairperson of NBA, mission performance leaders, pastors, two representatives or alternate from each church, and any full time staff member. We voted by the raising of hands to vote by written ballot, that motion passed by a majority vote. The ballots were distributed to the eligible voters. While the votes were being tallied, prayer requests were made for Bobby and Irene Belcher, Bill Brown, and Gene Martin and wife, Margaret. The ballots were tallied, 37 ayes and 13 nays. The candidates returned to the meeting and were congratulated on the new assignment.

Disaster Relief: - Ashley Summerlin - He and Cynthia have moved back into the parsonage. Seven Springs will start services back into the church next Sunday. They have received $60,000.00 to help build a new church on property that God has provided them. Money is still coming into the association to be distributed to flood victims. Buncombe County is sending a truckload of supplies the week after Christmas for flood victims. Falling Creek Church is to purchase a disaster trailer and Rivermont may get a trailer, there are enough supplies to furnish the trailers.

Equestrian Ministry: - Harold Burton - He thanked everyone for the blankets that were donated to go to Florence, Kentucky. When the flood came he gave the first blankets to the flood victims. Later an anonymous donor, gave 100 blankets to be sent to Kentucky, and volunteers from Kentucky were in the Wilson area and came to pick the blankets up and carried them back to Kentucky. God came through for His people. We are trying to learn new ways to witness to

people that work with horses. Pray with us for practical ministry ideas and job skills as we try to minister to these people.

Seminary Extension: - Ned Sauls - There are four opportunities for study being taught by Ashley Summerlin, Ned Sauls, Bonita Leary, and Ray Brown. The fee and book will be approximately $80.00 and you will get seminary credit, when the course is completed you will get $18.00 refund. Registration ends December 29, 1999. Counseling is available at the RTC on Monday and Wednesday. Pray that God will bless all these things.

Family Ministry: - Jeanette Walters: We will be reaching out to a larger community and plan to have winter Bible study, new work for Hispanics, a marriage and enrichment retreat is planned in the spring to help grow stronger and healthier families, and new work for African-Americans. Sister churches will be involved. We are the only association that is doing this new work.

Stewardship: - Lacy Oliver: He reminded us of the Lottie Moon Christmas Offering, and to make sacrificial giving a priority.

DOM: - David Leary: He has applications for Alaskan Partnership, the cost is about $800.00. Many challenges face us in 2000 in churches and associations, 50 per cent of our association is unchurched. Only 10% to 12% of students have their names on church rolls, 80% of American teens have never been to church. Families are stressed, stretched, and losing touch with each other; only 3% to 5% tithe. We need a fresh vision in our churches to seek and to serve Him. Let us be busy about doing His work.

Don Meadows led the closing prayer. The meeting adjourned about 9:25 p.m.

February 7, 2000

The Neuse Baptist Association held its second regular executive board meeting of the year at New Hope Baptist Church, February 7, at 6:30 p.m. A delicious meal was served by the church members in the fellowship hall. Music Director Gene Martin, led the congregation in singing. We heard special prelude music by Andrew Rogelberg, Minister of Music at Snow Hill Baptist. The New Hope choir sang the special music. Pastor George Stone gave the devotion.

The meeting was called to order by Moderator George Fox. Rev. Jack Sauls led the opening prayer. The minutes were presented in written form. A clarification was made for the official title of Jeanette Walters, which is Family Ministries Director for NBA. A motion was made by Carey Washburn to receive the minutes as presented, and seconded by Lacy Oliver. The motions were approved via verbal response and brought into the minutes.

Moderator George Fox made a clarification regarding who is eligible to vote at the Association Executive Board meetings. He called Chairman Glenn Bunch to the podium to read from Article VII, section 1.

Nancy Wilkie questioned whether alternates were eligible to vote. Moderator George Fox advised that it is up to the local church that alternates be approved and sent by the local church, not someone who shows up at the meeting that night and decides to vote. The constitution does not state the word "alternate" as being eligible to vote. Glenn will bring this before the constitution committee to study and will report at the next meeting either as a motion

or a clarification to us as a body, how approved alternates are eligible to vote. The Hoey's were accepted with a favorable vote by 70 percent.

Tom Waits stated this issue should be referred to the constitution committee. The constitution cannot be changed during the year. Changes can only be voted on at the annual meeting. The church can send alternates but the association needs to know who the alternates are in advance. A motion was made requesting that churches could approve alternates to vote if the association is notified in advance. The motion was made by Lacy Oliver and seconded by Tom Waits. The motion was approved via verbal aye.

We heard the following reports:

Treasurer's Report: - Richard Poteat - The report was presented in printed form. This report was for the first month only. The NBA received receipts from the churches and BSC for $10,656. Churches need to send in their receipts monthly. The Flood Relief committee dispersed $4,670. in January. The report was approved as printed.

WMU: - Bonita Leary - The WMU prayer breakfast in January was a great success. There were 124 present with 24 churches represented. Cari Gillette planned the event. Faye Barrow, missionary to Africa, was the speaker. The Brotherhood breakfast will be at Snow Hill First on February 12. Jon Hoey, the new CCM Director, will be the speaker. The Youth on Mission event will be held at Kennedy Home the same day, led by Jeanette Walters, who is also the Youth on Missions consultant. The GA event has been changed until March and the date will be announced later. Week of Prayer for Annie Armstrong Offering and North American Missions is almost here. April 10 is the date for the Annual Spring WMU meeting at First Baptist Church Goldsboro. Maxine Bumgarner, Executive Director of WMU of West Virginia, will be the speaker. Pray for the WMU that they will have a deeper level of prayer for an unreached people group until the Lord opens the doors for these people so they can hear the Word of God. We were sad to hear of the sudden death of Katherine Hankins, but "Oh, what a happy day for Katherine, because Jesus came for her today."

The mapping system is very helpful in evangelism to locate prospects. A representative from the state will be at the ministers' breakfast in March to help with this ministry.

Disaster Relief: - Ashley Summerlin - Fellowship Baptist Church of Raleigh donated a 15 passenger van to the NBA. The van was donated for two reasons; first, to transport workers to disaster sites; second, for churches who do not have a van. The rules are to log mileage, fill with gas, and clean up van when used. Make reservations with Jean Kirk for the use of the van.

Ashley Summerlin stated that Disaster Recovery money is sent to be used. $20,000.00 was dispersed in the last two months. The Disaster Relief Committee is Beth Crisp, David Leary, Richard Poteat, Ashley Summerlin, and Odell Tyndall. If you know anyone, who needs help have them to contact one of these people.

Johnston Association has entered into a partnership with NBA for twelve months, we need our people present to help also. Groups will be coming from Asheville and Henderson also to help. George Stone has made a video about the volunteer work, to be sent to the churches that have requested the videos. Lowe's has put $500,000. at Ashley Summerlin's disposal to help NC Baptist Men in this need.

Falling Creek Baptist and Seven Springs Baptist both have a disaster trailer. Seven Springs ladies also have a portable feeding trailer.

Scholarship: - Carey Washburn - The Russell and Joeann Ault Foundation grant has about $40,000.00 in the fund; the interest from it allows $500.00 scholarships for students who need help. The Scholarship application deadline is April 1. Russell Ault passed away this past year.

Nominating Committee: - Tom Jones - Rev. Glenn Phillips has been nominated for the Pastoral Ministries Director. He has accepted the position. A motion was made that we receive Glenn Phillips for this position. This motion was carried via verbal aye.

CCM: - Jon Hoey - He and Gale have moved into their new home now. He has visited in 34 of the 40 churches. There are many activities on the activity calendar, and he will be starting with migrant work soon. We will be doing health kits, Backyard Bible Clubs, special work with Hispanics, pastors retreat, and deacon ministry. There is also a need for a singles ministry.

DOM: - David Leary - He presented Jean Kirk with a watch with the NBA logo for her 21 years of service and dedication with the NBA.

If you know anyone that suffered damage due to Hurricane Floyd, they must register to be eligible to receive state or federal funds. The deadline to register for help is February 17, 2000.

We have cooperative agreements with the BSC of NC for 2001. These agreements are: Church Secretary Skill Workshop, Associational Family Ministries Director, New Work African-American - Lenoir County-Kinston, Military Ministry, Migrant Ministry - Summer Student Program; Hispanic - La Grange; Church and Community Ministries Program; Equestrian; Pastors and Wives Retreat; Church Strategy Planning Seminar; New Work - Hispanic Start - Snow Hill-Greene County; New Work - Hispanic Start - Kinston-Lenoir County; New Work - Hispanic Start - Goldsboro. These, when mentioned with the state, the association will match the allotted funds.

According to a recent research by Barna Research group, the probability of accepting Christ is highest among kids under the age of 14. According to new data from Ventura, California, the probability of people accepting Christ as their savior is in relationship to a person's age. Based on a nationwide sampling of more than 4,200 young people and adults, people ages five thru 13 have a 32% probability of accepting Christ, young people ages 14 thru 18 have a 4% likelihood of doing so, while adults ages 19 thru death have only 6% probability of

accepting Christ. A large majority of Christians accept Christ as their savior before they reach the age of 18. This is the first study that has calculated people's probability of accepting Christ at different life stages. The study shows that children and adolescents are most impacted and evangelized by family members, peers, and their youth groups. May we as an association of churches realize the great need and the importance of reaching teenagers and children to receive Jesus Christ.

He referred to an article in the *Biblical Recorder,* "Top Ten Reasons Why Youth Are Bored in Worship," one of which is lack of exposure and no youth involved in worship leadership. The fields are ready for harvest. The Lord is wanting to use the disaster to reach the lost. How can your church be used for the ministry of your community in reaching the lost? How can you use your gifts to further serve our Lord more effectively?

George Stone challenged us to start a prayer team during the early morning hours; you will see great things come to pass.

Prayer requests were shared and we closed by holding hands and forming a circle around the sanctuary. Harold Burton led us in the Lord's Prayer.

April 3, 2000

The Neuse Baptist Association held its third executive board meeting at Trinity Baptist Church in Goldsboro, April 3, at 6:30 p.m. A delicious meal was served by the members of the church in the fellowship hall. Special music was by Kathryn Waits and the Trinity Church choir. Rev. Jack Sauls led the opening prayer. Kathryn Waits led the congregation in a hymn in the absence of Music Director Gene Martin.

The meeting was called to order by Moderator George Fox. We heard the following mission performance reports.

We need to deepen our prayer life for people around the world.

A trip to New England Autumn Splendor is being planned for September 30 to October 5, 2000.

Discipleship: Jack Sauls - Deacon training is needed and is available. Surveys have been sent to all the churches to determine what kinds of training is needed, fifteen surveys have been returned. A pastor and spouse, Chairman of Deacons and spouse banquet is being planned in the Kinston area in the fall. On Saturday, April 8, the Bible Drill competition will be held at Rivermont Baptist.

Evangelism: Bobby Heath - The churches that have had their spring revivals were recognized, other churches have them scheduled. The mapping system was presented at the Ministers Conference in March. It has really helped out in the visitation program.

There is a need for evangelism and growth in our SS. The Faith Strategy program is a working process. There are one thousand churches that have been trained in the Faith Strategy process. It is a sixteen-week course and it has been a great success at Adamsville.

RA: Paul Bollin - The Pinewood Derby held February 19 at Kennedy Home had 42 boys with 13 churches represented. The Track meet will be April 22 at South Lenoir High School. We are coming to the part of the year when RA's are put on the back burner because of baseball. There are more kids on ball fields in spring and summer than in churches on Sunday morning. He would like to see pastors and ministers send letters to these baseball groups asking them to not plan baseball activities on Sunday. He needs our support in this matter.

CCM: Jon Hoey - The activities coming up are: (1) meeting on Sunday, April 16, to plan trip to Anchorage, Alaska. We'll be working with the Birchwood Community Southern Baptist Church on work projects and evangelistic outreach, we'll also need cooks and cleanup crews; (2) singles ministry meets at RTC for career age singles group, seniors will not start a group now, (3) demographics - the state is providing what your church needs to reach out to the lost; (4) Bible Drill - at Rivermont, (5) track meet at South Lenoir High School, (6) Hispanic outreach - migrant work season coming up soon, (7) volunteers - flood relief volunteers - thanks to all the volunteers who have helped out in any way in any position.

Equestrian Ministries: Harold Burton - The Equestrian Ministries International met at Ridgecrest recently. There were 17 people from six states in the Southeast represented. The newly elected executive director, Lowell Lawson, retired from the HMB, and who was the head chaplain that headed up all the counseling after the Oklahoma City bombing will be heading up this ministry. His salary is about $200.00 a month for this volunteer ministry to horse owners. Christian horsemen, thru the Internet, had 650 people to inquire as to how they can help. There are 1800 - 2000 people on the membership mailing list including three foreign countries. Keep praying for this ministry.

Seminary Extension: David Leary reported for Ned Sauls - extension classes are about to end for this session.

Scholarship Fund: Carey Washburn - The Scholarship Committee will meet Tuesday, April 4 to review six applicants and we hope to have funds to award at least four of them.

Nominating Committee: Tom Jones - He presented one new nominee who is Tim Smith for Family Ministries Director. The nominee was approved as presented by verbal "aye" and the nomination was received.

Constitution Committee: Glenn Bunch - The Constitution and Bylaws committee met for clarification of Article VII Section 1 of "The Executive Board." Fred Speight, Aubrey Jones and Glenn Bunch are on this committee. These revisions will be presented at the annual meeting

on Monday, October 23, at Spilman Baptist, and voting will be on Tuesday, October 24, 2000 at Seven Springs Baptist. The revisions are: The Executive Board shall consist of pastors **and /or interim**, the full-time staff **members** of each cooperating church, Director of Missions, Director of Church and Community Ministries, the immediate past-moderator, chair persons of standing committees, officers of the association, Directors of all Mission Performance Programs and two (2) lay members from each cooperating church or their alternates, these to be elected by the church. The names of the lay members **and their alternates** shall be duly certified by including their names in the annual church profile (ACP) or by otherwise notifying the associational office.

Stewardship: Lacy Oliver - He reminded us of Annie Armstrong Easter Offering is now in progress, lets meet our goals.

DOM: David Leary - He reminded us of the "God speaks" billboards, the message is simple in black and white, no fine print and no advertisers, signed "God." Many people read these messages on the billboards and talk about them to others. Don't get too comfortable in your surroundings of your church, for there is a lost world around us. Talk to people so they will learn about God, be able to share spiritual help for their lives. We need to stand up for God and His plan for us. Matthew 28:19-20 says: "Go ye therefore, and teach all nations . . ." Make disciples of men in Christ likeness, those who show love to one another, bear fruit and live in God's Word. A disciple of Jesus makes a long lifetime of commitment, make Christ the Lord of your life, and be a disciple of Jesus.

The next Executive Board meeting will be June 5, at Neuse Baptist Church in Kinston. On September 14, SS Leadership seminar, at the RTC. The Annual meeting October 23, 2000, Spilman Baptist and October 24, 2000 Seven Springs. The NBA has received funds for the flood victims to provide families food for one month. Get the word out to families who need this help due to the flood. There is a group of 75 youth and adults coming to work in Seven Springs area in mid April.

Some of the churches are having early evening service and more people are attending. We need to work with our young people and get them involved in our churches. We need to get churches back in the center of our community. Put your faith and action to work. There are more people who come to Jesus Christ through VBS than any other way.

Faye Barrow, who served as a missionary with her late husband in South Africa, was present and announced she is waiting for a new assignment to South Africa. She requested prayer for her as she waits for this position.

We closed with praise and prayer requests, and sentence prayers. We sang "Sweet, Sweet Spirit" as the prayer response.

We are to be in prayer for the Gawwada between now and October. Pray that the Bible will be translated into their language and they will come to know Christ. The WMU Leadership team from the NBA traveled to Greenville, NC Saturday for state training that will help us prepare for the changes that are ahead. This month is time to order SS literature that includes the new material. The SS teaching guide is a guide and teaching aid. NBA has 11,499 resident members. Of these 5,617 are enrolled in SS, with an average attendance of 3,134. Pastors do your best to inspire your people and build them up to invite others to SS.

VBS: - Kathryn Waits: She reminded us that VBS is still the single largest outreach program of the church. Approximately 25 percent of baptisms are a result from VBS. Please send in your VBS reports, as soon as possible when you have completed your VBS.

Disaster Relief: - Odell Tyndall: There will be a Disaster Relief meeting on July 13, at RTC. Seven Springs community is pretty much back in order. Wayne County had 120 homes flooded. We have dispersed funds from the BSC in the amount of $200,000.00 for this effort.

Dr. Sauls is available for counseling on Wednesdays and by appointment.

or a clarification to us as a body, how approved alternates are eligible to vote. The Hoey's were accepted with a favorable vote by 70 percent.

Tom Waits stated this issue should be referred to the constitution committee. The constitution cannot be changed during the year. Changes can only be voted on at the annual meeting. The church can send alternates but the association needs to know who the alternates are in advance. A motion was made requesting that churches could approve alternates to vote if the association is notified in advance. The motion was made by Lacy Oliver and seconded by Tom Waits. The motion was approved via verbal aye.

The mapping system is very helpful in evangelism to locate prospects. A representative from the state will be at the ministers' breakfast in March to help with this ministry.

Disaster Relief: - Ashley Summerlin - Fellowship Baptist Church of Raleigh donated a 15 passenger van to the NBA. What God is doing in our churches **is** beyond belief. We are praying for the Gawwada people who have not yet been reached with the gospel of Jesus Christ. We need to pray for the NBA's geographical area; more than 50 per cent of these people are unchurched. Bonita had some lighthouse lamps that could be purchased so you could display them in your window to show that your house is a "house of prayer."

SS: Tom Waits - The new literature is in use now and it is good. The last Sunday in October is high attendance Sunday all over the convention, so set your attendance goals. Leadership training for "Sunday School for a New Century" will be at the RTC Thursday, September 14th.

VBS: Kathryn Waits - There are a few churches that have not sent in their VBS reports. Please send them in as soon as possible.

Evangelism: Bobby Heath - The Faith and Strategy process is a good tool to use to increase your SS. Adamsville is on their third class for Faith and Strategy. The mapping system program is another good process to use to revive and restore your SS. Steve Gillette is using this at Sandy Bottom. Three hundred churches are using this program.

Music Ministry: Gene Martin - Practice for the annual Christmas Cantata will be Sunday, October 24th, at the RTC. We have 33 people from six churches. We need more people and churches involved.

CCM: Jon Hoey - He and Gale have enjoyed being in NBA these past nine months, it feels like home now. There are 34 people going to Alaska on September 24, six hundred fifty North Carolinians have already been this year. We need your prayers as we go. Seminary classes are beginning, they are the New Testament Survey and Conversational Spanish. Most Hispanics are Catholic and they need to hear the love of Jesus Christ in their language. The NBA Pictorial Directories will be available at the annual meeting. A Discipleship workshop will be October 3rd at First Baptist Church in Kinston for pastors, deacons, and spouses. This will be a catered meal. The NABS luncheon will be September 21st at the RTC. Tom Denton will be the speaker. This year we will need 750 cheer bags prepared for the prisoners. He received a letter from missionary Steve Woods with the IMB in Argentina, asking how to get information about the "Horse Connection." He is making a video about "Training Techniques for Horseman" and he is using this video to tell the gauchos, that's what the local cowboys are called in Argentina, about Jesus Christ. He also showed an inspirational video clip "A Love Letter to Horsewomen" about women caring for horses. There is now a National Chapter for highschool age students for the Equestrian ministry. Toby Burton is President and First VP is Jason Jarman. Mary Beth DeDosa a seventeen year old from Atlanta, Ga. already has a web page. The advisor is a man from Tennessee.

Eight hundred homes have been rebuilt and 600 more are to be rebuilt. The NBA has a disaster trailer, van and flatbed trailer. Rivermont and Falling Creek have a disaster trailer each. New Hope has a trailer with bathing facilities and they have been feeding the workers that come to help the victims. Seven Springs has a feeding unit. He read a letter of thanks for our response to their need from Preston and Ramona Beaman who were flood victims.

He encouraged the churches to consider adequately for your pastor's retirement when you are doing your new budget. The things to consider are the 15.3 per cent increase in Social Security tax, health insurance, and the annuity board, convention and conference fees.

New work is being done by Hispanic pastor Rolanda Rengifo at the Horeb Mission in the Goldsboro area. He is teaching "The Mind of Christ" at Love Memorial, Goldsboro First and at Spilman.

Lacy Oliver told about a kit that is available at BSC with a film about families of pastors that are living on $200.00 a month and what you can do so they can receive an additional $75.00 from Social Security. Many retired pastors and widows are living in poverty.

We closed with praise and prayer requests, Paul Bolin is in Wayne Memorial Hospital. Churches that have their revival pending is Immanuel, Sandy Bottom, Mt. Nelson, Grainger, Union, Neuse, and Pikeville. Snow Hill will be celebrating their 150th anniversary this month, Rivermont is having a Family Fun Fair September 15th & 16th.

The NBA has two canopies available when your church needs one.

The attendance report was 26 churches, 16 pastors, and total present was 101.

The meeting adjourned about 9:25 pm. James Medlin said the closing prayer.

NEUSE BAPTIST ASSOCIATION'S SEVENTY-SECOND ANNUAL MEETING

Monday, October 23, 2000

The Neuse Baptist Association held the first session of its Annual Meeting at Spilman Baptist Church of Kinston, on Monday, October 23, 2000, at 7:00 p.m. Pre-service music was provided by the Spilman Church Choir.

The meeting was called to order by Moderator George Fox. Carey Washburn welcomed everyone and led in prayer. The theme was "Think Globally, Act Locally." The scripture was from Acts 1:8. Music Director, Gene Martin, led the congregation in singing "Great Is Thy Faithfulness."

Mary Ann Croom, clerk, moved that the messengers present that have registered, and those that will register, constitute the voting body of this Seventy-Second Annual session of the Neuse Baptist Association. The motion was seconded and approved via verbal ayes. The motion carried. Registration was 135 representing 27 churches, 15 pastors and 6 other ministers.

Nancy Wilkie gave a brief historical update and moved that we accept this report. She reminded us of the devastation the Flood of the Century in September 1999 caused as the result of torrential rains from Hurricanes Dennis and Floyd. Many homes, and most of those in Seven Springs were damaged or destroyed. Several churches received extensive damage, also. The churches that received damage were Seven Springs Church and pastorium, Sandy Bottom, Adamsville, and the Kennedy Home Campus. The fellowship hall at Jordans Chapel, Neuse, and Cabin received damage. More than four hundred homes in our association were damaged.

Director of Missions: David Leary recognized Wendy Minton Edwards, who is our Regional Eastern NC Consultant. She is working out of our association office. She encouraged us to give more of ourselves to the Lord so He can do more thru us. Mr. Leary also recognized Ashley Summerlin, coordinator with Disaster Relief Recovery, who received the Governor's Award for all the work he has done in NC for the flood victims. Summerlin reported that NBA has spent almost a quarter of a million dollars in repairs as a result of the storm damage. Our state convention has forty-five disaster trailers and four of them are from the Neuse Baptist Association. There is also a portable feeding unit at Seven Springs that is operated by the Seven Springs Baptist women.

Mr. Leary gave the DOM report. He asked the question, "Can you look at the level of your spiritual health and see progress since last year? Are you more like Christ? Is your world, your church, or your community a better place because of your relationship with Jesus Christ?" His scripture was Mark 3:13-16.

Mr. Leary recognized those who have come to NBA in the past year. They are Jon Hoey-Church and Community Missions and Mike Dixon- Grainger Baptist.

CCM: Jon Hoey gave the report. He thanked everyone for their prayers for them while they were on the Alaskan Mission trip. The Associational Pictorial Directories are available tonight for each church. He introduced Ann Evans to tell us about the new Hispanic Mission Church at Spilman. We watched a video that showed us what they did with space that was not being used. They used the second floor of their fellowship hall to make a pastor's study, Sunday School rooms, and a sanctuary. The sponsoring churches are Spilman, First Baptist and Glen Raven of Kinston, also Neuse Baptist Association, and the Baptist State Convention. Work

started on August 19. On October 1, 2000 fifty-one people attended services this first Sunday. A reception was held on October 22, 2000 for friends to visit the facilities.

Evangelism: Bobby Heath reported that baptisms are up. Trinity, Mt. Nelson, and Emmaus were noted for their increase in baptisms and added to the written report.

Gene Martin led the congregation in singing "What A Friend We Have in Jesus." An offering was taken for the support of mission projects in the NBA.

Business: The Annual Meeting Committee report was given by Barbara Johnson. The meeting places for 2001 will be Jordan's Chapel, Mt. Olive, on Monday, October 22, 2001 and Calvary of Kinston, on Tuesday, October 23, 2001. The annual serman will be by Glenn Phillips with alternate, Glassie Locklear. We voted on the motion as it was presented, the vote was via verbal ayes, and the motion carried

Constitution Committee: Glenn Bunch reported that the committee met to make clarifications in Article VII, Section 1 of "The Executive Board." Mr. Bunch read aloud the proposed amendment to be voted on Tuesday night.

David Leary presented the 2001 NBA calendar. A motion was made and seconded to accept it, it was approved by verbal aye.

There was no other business.

Darin Allen, Minister of Music at Spilman, sang before Dr. Jim Royston, BSCNC Executive Director-Treasurer, gave the annual message. The message was "Listening To What God Has To Say To You." The scripture was 2 Kings 6:13. God is calling North Carolina Baptist. Will you see, will you hear, will you have the faith to be obedient to God?

Johnny Sasser was asked to give directions to Emmaus Church.

The Benediction was by James Medlin. After the meeting we were invited to the fellowship hall for refreshments and to tour the new Hispanic Mission.

Respectfully submitted,
Mary Ann Croom

PROCEEDINGS

NEUSE BAPTIST ASSOCIATION'S SEVENTY-SECOND ANNUAL MEETING

Tuesday, October 24, 2000

The Neuse Baptist Association held the second session of its Annual Meeting at Emmaus Baptist Church of Dudley, on October 24, 2000, at 7:00 p.m. Pre-service music was provided by the Emmaus Baptist Church Choir.

The meeting was called to order by Moderator George Fox. Host Pastor, Johnny Sasser, welcomed everyone and led in prayer. The continuing theme was, "Think Globally, Act Locally." The scripture was from Acts 1:8. The congregation sang "Victory in Jesus."

Moderator George Fox recognized Dr. Tom Hall, the new Director of Development for Alumni Services and Church Relations at Chowan College, at Murfreesboro, NC. He informed us of the newly matching scholarship fund that is being offered at Chowan College. Pastors can award a scholarship to as many students from your church as you would like. Chowan College is willing to invest $500.00 per year per student in matching funds when your church is willing to do the same. That would amount to a $4000.00 scholarship over a four-year period.

Sunday School: Tom Waits gave the SS report. There were 3121 enrolled in VBS in 2000. With the reporting churches we have 5148 enrolled in Sunday School this year with an average attendance of 2617. All churches did not report. A new pastor can determine the direction the church is headed by its past records. Keep your church profile up to date and the reports turned in. The pastor needs to be the leader and be aware of what is going on. Pastors should get involved and be there for team spirit, and to enable and be an encourager.

Discipleship Training: Ramona Horton the Bible Drill Report. Four churches participated in Bible Drill this year, they are Deep Run First, Love Memorial, Rivermont and Rosewood. Eight children and five youth participated in the Bible Drill competition. There is room for more youth and children to be involved in Bible Drill and Speakers Tournament. Special recognition and a plaque were presented to Leah Horton. She is a church winner, an association winner and a state winner. She is one of twenty-two youth at the state level achieving the highest score in the final's drill. At the Discipleship Training meeting at Ridgecrest, Leah was chosen as the winner from North Carolina. Sixteen hundred and thirty-nine youth and children participated in Bible Drill this past year. Leah represented our association well. She is the daughter of Ramona Horton. Remember that the Word of God will stand forever in the life of your child.

WMU: Jean Kirk gave the report in the absence of Bonita Leary, who was not feeling well. Jean encouraged all the churches to participate in age level missions education programs. The International Missions study will be soon. You may want to join with another church to have the study. She emphasized giving to the Lottie Moon Christmas offering.

Jean also thanked the volunteers who helped assemble the "Book of Reports and Program" for tonight.

Brotherhood: Rick Mondell gave the report. Paul Bolin, RA Director, was not feeling well and absent. We had a joint Prayer Breakfast meeting with the WMU at Snow Hill First Baptist. Jon Hoey was the speaker. The Track meet and the Pinewood Derby Car Race Competition were held in the spring. There was a good turnout. We had forty-two boys that competed in the Car Race. Encourage your leaders of the children and youth in your church to

get involved in these events. There is a lot of competition with outside recreation, encourage schools in your area not to plan their recreation programs on Sunday.

Music: George Fox gave the report for Gene Martin. He reminded us that the practice for the third annual Christmas cantata is on Sunday afternoons at 3:00 p.m. at the RTC. The performance of "Christmas People" will be held on Saturday, December 9 at 7:00 p.m. at Snow Hill First Baptist Church.

Family Ministries: Jeanette Walters, Director, gave the report. A Bible Study was held at Kinston High School this year with fifteen churches represented and ten of the churches were from Kinston. New mission work was started with a Hispanic Mission upstairs at Spilman. There was a "Mudfest" fun time with children in the Kinston area. Two hundred young people attended the event, playing in the mud and eating pizza. There were several who made professions of faith. There was a Youth concert at Lenoir Community College, about one hundred attended. We participated in "See You at the Pole" rally in September, every high school in Lenoir County and every junior high school, with the exception of one, participated in this event.

The congregation sang "The Church Is One Foundation." The offering taken on Monday night and tonight's offering will be used to support mission projects and trips in the association.

Memorials: Rev. M. O. Sears led the memorial service. Names were read by Joyce Correll and Carey Washburn. Rev. Sears also wanted us to remember his wife, Bonnie, whose sister passed away this morning. He asked us to think on the great coronation these, who have passed on, have received. Then we sang "Praise God From Whom All Blessings Flow."

Business: Finance: Don Meadows presented the report. After some discussion the proposed budget for 2001 was accepted as printed via verbal response.

Nominating Committee: David Leary presented the nominating committee report. It was accepted via verbal ayes.

Constitution Committee: Glenn Bunch presented the report to vote on as follows; "The Executive Board shall consist of pastors and/or interims, the full-time staff ministers of each cooperating church, Director of Missions, Director of Church and Community Ministries, the immediate past-moderator, chairpersons of standing committees, officers of the association, Directors of all Mission Performance Programs and two (2) lay members from each cooperating church or their alternates, these to be elected by the church. The names of the lay members and their alternates shall be duly certified by including their names in the annual church profile (ACP) or by otherwise notifying the associational office." There was no discussion, the change was accepted via verbal ayes and the motion was carried

The scripture, Revelation 3:20, was read by Glenn Phillips. Worship through music was provided by the Emmaus Baptist Church Choir who sang "Our God Reigns."

Jim Turbyfill, Pastor of Jordans Chapel Baptist Church, brought the Annual Sermon entitled, "Foundations of Faith."

Installation of the new officers was conducted by outgoing Moderator George Fox. The gavel was presented to the new moderator, Carey Washburn.

Registration was 103, representing 23 churches, 14 pastors, and four other ministers. The offering total was $278.84. We enjoyed refreshments after the service in the fellowship hall.

Everyone stood for the Benediction. Harold Burton led us in praying the Lord's Prayer.

Respectfully submitted,
Mary Ann Croom, Clerk

HISTORY – NEUSE BAPTIST ASSOCIATION – 1999/2000

The first month of the 1999-2000 association year brought tragedy to the association – the "flood of the century." Hurricanes Dennis and Floyd brought torrential rains to eastern North Carolina causing massive, widespread flooding. Devastation was the lot of churches, homes, businesses, crops, animals and roads. In our association, Seven Springs Church and pastorium were badly flooded, as well as the whole town of Seven Springs. At Adamsville Church all its facilities except the sanctuary received water damage, including the Korean Mission's sanctuary & entire area. The campus at Kennedy Home was covered by flood waters from Falling Creek, and the children and staff had to be evacuated at 2:00AM. As a result of water damage, the Biggs Cottage (oldest dormitory on campus) and Brokenhurst were torn down. Other buildings on campus suffered substantial damage, also. The steeple was blown from the Sandy Bottom Church, and a large tree fell into the middle of the fellowship hall building at Jordan's Chapel Church, destroying the roof. Neuse Church fellowship building was flooded and heat & air unit had to be replaced. More than 400 homes were damaged over the three counties that comprise the association – Wayne, Lenoir, Greene, with one church, Cabin, in Duplin County.

Extensive aid for flood victims began immediately. A feeding unit of the North Carolina Baptist Men was set up on the parking lot of First Church, Kinston. They stayed over two weeks, feeding thousands of meals. Likewise, a feeding unit was at Madison Avenue. Disaster units from other areas across the United States came to mud-out and begin repairs to flood damaged home. These volunteers have continued to help throughout the year, with much work remaining to be done.

Money was sent from individuals, churches and associations to aid in rebuilding homes and churches. The following NC associations were paired with Neuse for aid: Buncombe, Catawba River, Dan Valley, Sandy Creek and Randolph. A committee was elected to administer the relief funds received by the association, made up of Ashley Summerlin Chairman, Beth Crisp, Odell Tyndall, Richard Poteat and David Leary. The committee has met faithfully to review, approve and distribute financial assistance and "in kind" gifts to ministers, congregations and other families affected by the flooding. Over $250,000 has been dispensed so far.

At the Executive Board meeting in December, Jon Hoey was called as Church and Community Missions Director. He began work January 1, 2000. He and his wife, Gale, are natives of Lancaster, PA. He graduated from Grace Seminary in Winona Lake, IN, and served from 1968-1991 as teacher, coach, principal and chief Administrator of schools in Delaware, New Jersey, Maryland, Louisiana and North Carolina. He also served as interim pastor at Bent Creek Church in Asheville, and as pastor of South Albemarle Church, NC. Gale Hoey is a graduate of the University of Delaware and is a school teacher. Both of the Hoeys speak Spanish. They have two children, Kathy and Kolleen.

Two thriving Hispanic missions are now meeting within the association. The group that was meeting in La Grange has now moved to Kinston, where most of their members live. Miguel Arjon is the pastor. He is married to Luz and they have two sons and two daughters. The mission is meeting in Spilman Memorial Baptist Church. A new mission sponsored by Goldsboro First and Love Memorial, meets at Love Memorial.

Rolando Rengifo from Peru, is the pastor. He is married to Rosa, a school teacher. and they have two sons. We wish them well.

God has certainly blessed our association in unusual ways during this past turbulent year – one to remember! We trust the future holds even greater things for our churches and people as we face a new, challenging year. Hold fast!

WOMAN'S MISSIONARY UNION REPORT

TRANFORMED, TAKE THE STAND, the 1999-2000 emphasis for WMU, was the theme for the Annual Neuse Baptist Association WMU spring meeting held at First Baptist of Goldsboro. Maxine Bumgarner, WMU Executive Director for West Virginia WMU, was the featured speaker. Darin Allen provided special music. At this meeting WMU adopted the unreached Gawwada people of Ethiopia. We will pray for them until God opens the door for them to hear the Gospel.

An Acteens "Come Together" was held in November at Love Memorial for all Acteens, Leader of Acteens and Mothers of Acteens. This event was planned and coordinated by Acteen Consultant, Jeanette Walters.

The Baptist Women's World Day of Prayer was observed on November 8 at the Resource and Training Center.

A Women on Mission event was held at the Resource and Training Center in January. Faye Barrow, missionary to South Africa, was the speaker. The attendance for this event, coordinated by WOM Consultant Cari Gillette, was excellent.

The WMU/Brotherhood breakfast was held at First Snow Hill in February. Neuse Baptist Association CCM Director, Jon Hoey, was guest speaker.

Attendance for the WMU Leadership Training was BEYOND BELIEF. All age levels were well represented as local leaders gathered for an overview of the 2000-2001 WMU Emphasis. The theme for 2000-2001 is BEYOND BELIEF!

Bonita Leary, WMU Director
Neuse Baptist Association

DIRECTOR OF MISSIONS REPORT

What a year of rejoicing this has been in Neuse Baptist Association. Blessings too numerous to number have come our way. In the midst of our weakness we have experienced the strength of our Lord. "... the joy of the Lord is your strength." (Nehemiah 8:10b)

Floodwater devastated us in the fall of 1999 and left us to recover in 2000. Fellow brothers and sisters in Christ have come to our rescue with manual labor as well as money. Flooded church buildings have been restored. Homes have been rebuilt. Clothing and food have been provided, furniture purchased, and medical bills covered for families affected by the floods. Approximately 250,000 dollars have been distributed in flood relief. A committee composed of Ashley Summerlin, Odell Tyndall, Beth Crisp, Richard Poteat and the Director of Missions met regularly to review needs and distribute funds. We rejoice with what the Lord has done through His people.

It is our responsibility to pour out the oil of joy on others. We are prepared to help when others are in need.

Falling Creek, Rivermont and Seven Springs have purchased disaster recovery trailers and are set to go. In addition to the disaster recovery trailer Seven Springs has a feeding unit. A trailer has been given to Neuse Baptist Association; New Hope assisted in equipping it with showers, washer and dryer, sink and hot water heater. This trailer can be pulled "on site" where work needs to be done. Our Association purchased a flat bed trailer that is being used by KARE (Kinston Area Recovery Effort). Our Association also has a fully equipped Disaster Recovery Trailer.

Baptist State Convention of North Carolina has formed a partnership with Alaska. Neuse Baptist Association sent a team of 34 persons to help Birchwood Community Church with the construction of their building, to lead revival services and to survey the surrounding community. This partnership offers us the opportunity to give needed encouragement and manual labor to fellow Christians. Let us be in prayer regarding our future involvement with them.

Exciting things have occurred in our churches. Trinity and Love Memorial have completed new fellowship halls. First Goldsboro has completed the renovation of their sanctuary and education building and is currently engaged in renovating their fellowship hall and gym. First Kinston has voted to construct a Family Life Center.

We rejoice with the growth of our Hispanic work in the association.

- Love Memorial and First Goldsboro are sponsoring a new Hispanic work. The newly formed Horeb Baptist Mission is meeting in Love Memorial. Rolando Rengifo of Peru and Mexico is serving as pastor.
- The First Hispanic Mission sponsored by First La Grange has moved from La Grange to Kinston and is meeting in Spilman Memorial. Miguel Arjon continues to pastor this growing congregation. Spilman, First Kinston, Glen Raven and Rivermont churches sponsor this work.

- Harriette Etheridge, a member of First La Grange, has provided the La Grange facility used by the First Hispanics. She considers this to be her ministry and we will be eternally grateful to her. It is her desire that we continue to use the building as a means of ministry to the Hispanic community in the area. This we will do through the help of Roland Rengifo.

In January 2000, Jon Hoey joined the staff of Neuse Baptist Association as Church and Community Ministries Director. What a blessing he and his wife, Gale, have been. Both of them are fluent in Spanish. Gale is teaching English as a second language in the Wayne County schools.

"Clap your hands, all you nations; shout to God with cries of joy." Psalm 47:1

"This is the day the Lord has made; let us rejoice and be glad in it." Psalm 118:24

David Leary, Director of Missions
Neuse Baptist Association

DIRECTOR OF CHURCH & COMMUNITY MINISTRY REPORT

Since being appointed as your missionary and beginning with Neuse Baptist Association January 1, of this year, I have been privileged to work with many of you in 56 different arenas. Shifting gears quickly is a necessary skill for success. Thankfully God is good—all the time.

Demographics have been evaluated with all our 38 churches; specific ministries have been directed at singles, migrants, foreign missions, the military and Bible skills.

We have once again put together 750 "cheer bags" for prisoners in Eastern Correctional Center at Maury in Greene County and Wayne Correctional Center, Goldsboro. We have provided about 500 health kits for migrants. Around 150 blankets were given and dispensed by Harold Burton through Equestrian Ministry.

Those who want to learn enough Spanish to witness to Hispanics now have the opportunity and materials. About 30 enrolled in a "Survival Spanish" class taught at the Resource & Training Center on Tuesday nights.

Thirty-four folks chose to minister to Alaskans (September 22-October 14, 2000) in **word** (tracts, services, testimonies, special music and canvassing) and **deed** (dry wall installation, van repair, and encouragement). What a fabulous blessing!

What a joy, too, it has been for Gale and I to sing, speak, teach and show the love of our Jesus. Thank you for the many invitations.

The first Association Pictorial Directory is now a reality and available to every church whose pastor came to the NBA to have their picture made.

But much is left to do. Please call me if I can help equip your church to be on mission. We are all commanded to be part of the "Ye" of Matthew 28.

Jon Hoey

SUNDAY SCHOOL

We have been reminded that in the Baptist tradition the Sunday School is much more than just an organization to teach the Bible. Its purpose is to involve the members in service and to equip them and mobilize them for ministry.

The Sunday School is a strategy that provides a systematic way for the church to reach certain pre-determined objectives.

This will work only as the pastor and other staff members become convinced that the ministries of the church will expand as God's people discover their gifts and abilities and find opportunities to minister to others and serve others through the Sunday School.

In the past year we provided opportunity for the study of "The Power to Change Lives" a complete guide for building a Great Commission Sunday School. This is a book that will help us bring our Bible teaching effort out of the twentieth century and into the twenty-first century.

It can provide direction that will, hopefully, lead us out of the mediocrity of the past forty years and break the bonds of apathy that has resulted in over seventy percent of our churches being plateaued or losing members while we experience a population growth here in our state.

The Vacation Bible School preparation was down somewhat from last year. There were only 23 in the early conference held March 7. The second conference drew 39, and the third conference brought in 38 more, making a total of 100 conferees from 16 churches. It is so terribly important that we receive your VBS report When you fail to get a report in from your church, you ruin the validity of the entire association report for the year.

The year 2001 has a new and exciting opportunity for our churches here in the Neuse Association to provide leadership training for their Sunday School workers. March 1 we have an age-graded conference on teacher training at the Resource Center, then on August 7 we have the Annual NBA Sunday School Leadership Seminar. Please make certain these are on your church calendar and are promoted throughout the year.

EVANGELISM

"When he saw the crowds, he had compassion on them, because they were harassed and helpless, like sheep without a shepherd.

Then he said to his disciples, "The harvest is plentiful but the workers are few. Ask the Lord of the harvest, to send out workers into his harvest field." (Matt 9:36-38)

Churches and leadership within the churches that are carrying out their call today are innovative, risk takers, aggressive and restless. Does this describe you and your church? The description sounds like Jesus. A lot of exciting things are happening in our association of churches. We are to congratulate the churches that have shown an increase in baptisms this year. Reporting churches for this year's top four: Adamsville-55, Rosewood-55, Rivermont-11, Madison Avenue-9. There were increases shown in many of our churches.

Adamsville and Rivermont are currently engaged in classes on "Faith Sunday School Evangelism." If you feel your church needs a booster shot in Sunday School and church growth, give us a call. It's not a quick fix, but a process. Christ doesn't dwell on our past; we need to look to the future.

MUSIC REPORT

What a wonderful year we have had at the Neuse Association and our Music Program has been a true blessing. The support of our churches has been so important in making our meetings and gathering so special through the use of the fantastic gifts that God has granted to us in the form of musical talents. We have truly been blessed as we listened to the choirs of our churches and their special groups and soloists; Goldsboro First, New Hope, Trinity, Neuse Baptist, Sandy Bottom, as they delighted us with their special music at our meetings. Also we were truly blessed by others who shared with us; Bill & Angel Ashe, Jon & Gale Hoey, Kathryn Waits, Charlene Broadway with their terrific voices, and who can forget Andrew Rogelberg as he took us to new heights with his talents on the piano.

Our 2nd Annual Christmas Cantata was held at First Baptist La Grange on December 3, 1999 at 7:00PM. Choirs from Snow Hill First, Union, Rivermont, LaGrange, Seven Springs and Calvary, all joined together to perform "I Love to Tell the Story." This was truly a special night. Thanks to all who participated and shared. We had 36 members and 6 churches represented.

We are underway with our 3rd Annual Christmas Cantata entitled "Christmas People." We rehearse at the Resource Center on Sunday afternoons, 3:00PM. All are welcomed to come and join us. The performance will be held on Saturday, December 9th, at 7:00PM. "Christmas People Around the World" festival of refreshments will follow the musical presentation.

NEUSE ASSOCIATION BAPTIST SENIORS (NABS)

May 11, 2000

The association wide semi-annual event for senior adults, pastors, staff and interested others, was held at New Hope Baptist Church in Kinston. The covered dish meal began at 12:00 noon.

Jon Hoey was program guest and delighted us with special music and leading group singing. Jon also displayed an assortment of door prizes and dispensed them by drawing numbers and the winner picking his choice.

The group voted to have the next meetings at the Resource & Training Center. Goldsboro First offered to host the fall meeting and Spilman Memorial voluntecred to host thc spring 2001 meeting provided it could be at their church facility instead of the RTC. The group consented.

September 21, 2000

The fall fellowship was held at the Resource & Training Center in LaGrange. Goldsboro First Church served as hostess. They decorated the tables, provided paper products, set up food, and cleaned up.

Jack Hankins moderated in his usual entertaining style. Gwen Laing of Goldsboro First provided special music and Jon Hoey led the group in several songs. Ton Denton, representing the NC Baptist Foundation, was program guest. He gave a wonderful presentation and even included prizes.

After the roll call of churches, numbers were drawn and door prizes were given out. Sixty-six registered representing 10 churches.

SPECIAL MINISTRIES REPORT

May 2000 – We had a longtime committed member go home to be with his Savior and Lord, Mr. Donnie Wilkins. Donnie was an usher for his church Spilman Memorial Baptist.

June 2000 – We had about 25 attend a popcorn and movie night at the Resource & Training Center. We watched "Prince of Egypt." Both Spilman and Love Memorial Churches were represented.

August 2000 – We had about 15 attend an ice cream social. Love Memorial was the only church in attendance at this function.

September 2000 – Our annual bowling and pizza event was a blast. Both Spilman and Love Memorial Churches were represented.

DISCIPLESHIP REPORT

What an exciting year throughout our entire association of churches. Most of our churches have on going Discipleship Training programs.

There were several opportunities for specialized training available. Several of us met in late spring to see what could be done to help our churches in Discipleship. There were numerous responses. Using this survey we established a need for our deacons to know their spiritual gifts. On October 3, 2000, Rev. Don Brown, from Creedmoor Baptist Church was our guest speaker. Following a very nice meal catered by the "Kinstonian Family Buffet" we had music by First Baptist Church, Kinston. Rev. Brown spoke on the subject, "Every Member a Minister Utilizing Individual Spiritual Gifts." His message was well received by the approximately 80 folks in attendance representing twelve churches.

To encourage interest, a verse of scripture with a brief thought was placed in the "Neuse News" each month. There were positive comments for having it.

BIBLE DRILL REPORT

Four churches participated in the Children & Youth Bible Drills this year: Rosewood, Rivermont, Love Memorial, and Deep Run First.

We sent 13 children and youth to the association drills. Several went on to be state winners. One youth, Leah Horton of Love Memorial, qualified for State Finalist Tournament held in Thomasville, May 2000. She represented you well, Neuse Association, with no mistakes in her drill.

NBA SECRETARIES LUNCHEON FELLOWSHIP
DECEMBER 2, 1999

The winter fellowship was held at the "Ritz Cafe" in Goldsboro. Jean Kirk gave a thought for the day. A written exchange of secretary tips or greetings by each one present was enjoyed and an exchange of recipes written on recycled Christmas cards. A simple craft was demonstrated with opportunity to complete one. The lunch was provided by an anonymous donor.

Sixteen were present representing six churches: Adamsville, Falling Creek, Goldsboro First, Kennedy Home, Love Memorial, and Spilman Memorial.

NBA SECRETARIES LUNCHEON FELLOWSHIP
APRIL 6, 2000

The theme for this semi-annual event held at the Peach House Restaurant in Kinston was "Peaches & Cream Fellowship." Each one present ordered individually. Secretaries were given packaged peach scented candles with a printed reminder, "Bearing the fruit of the Spirit will keep you a 'peachy' secretary even when a moment or a day is not all 'peaches and cream." A handout of "peachy facts" was reviewed.

It was a joy to welcome as our guest, International Mission Board, SBC missionary, Faye Barrow, who has served in Africa for over 20 years in different locations and different capacities. Faye led the devotion on the subject, "fruits of the spirit." After the meal Faye had a question and answer time.

Fifteen were present representing seven of our churches: Adamsville, Kennedy Home, Love Memorial, New Hope, Rivermont, Sandy Bottom, and Spilman Memorial.
